Riots over Iran election result

THERE have been riots on the streets of Tehran following President Mahmoud Ahmadinejad's controversial election win. Around 2,000 supporters of opposition leader Mir Hossein Mousavi clashed with riot police, despite a plea from Supreme Leader Ayatollah Ali Khamenei for Iranians to respect the result. Police on motorbikes with batons were hitting some protesters, who were armed with stones, sticks and petrol bombs. The protests were triggered by an official confirmation that President Ahmadinejad had won a shock 63% of a presidential election vote that was at least expected to go to a second round. The result was immediately met with scepticism from the West – and by the opposition. Mr Mousavi said he had “definitely won” and urged his supporters to “protest vigorously against the numerous and blatant irregularities”.

FOXY KNOXY: ‘I WAS ABUSED BY POLICE’

IN COURT: Amanda Knox is accused of the murder of Meredith Kercher (right)

AMANDA KNOX was threatened with 30 years in jail if she continued to “lie” to police about what happened to Meredith Kercher, she has claimed.

The American student, 21, told a packed court in Perugia, Italy, that she was also hit and abused by police as they interrogated her about the events surrounding the Briton's death.

She said: “The police officers interrogating me said they would put me in prison for 30 years for being a liar.”

Miss Kercher, 21, from Coulsdon, Surrey, was found dead in her bedroom on November 2, 2007, in the house she lived in with Knox and others on her year abroad in the Umbrian town.

Her throat had been slit and her semi-naked body was partially covered by a duvet.

Prosecutors accuse Knox –

By CHARLOTTE SWINFELD

nicknamed ‘Foxy Knoxy’ – and her Italian former lover, Raffaele Sollecito, 25, of killing the Leeds University student after she refused to take part in a sex game.

Knox told police she had spent the night of the murder at Sollecito's apartment.

But, she said, they refused to believe her.

Aggressive

Giving evidence on the second day of her testimony, she said: “Someone said (during the interrogation) ‘You weren't at Raffaele's house.’”

“I said I was there, but they told me I'd left his house.”

“I said: ‘No I didn't’. They said: ‘We're not convinced. Are you sure you didn't leave his house?’”

“They said: ‘Maybe you're confused. Try to remember. You've forgotten something. What have you forgotten? Remember! Remember! Remember!’ Then a

policeman hit me on the head.”

She told the court that the aggressive questioning led her to implicate bar owner Patrick Lumumba in the killing – and that she had started to imagine that she had been with Mr Lumumba that night.

Mr Lumumba is claiming damages for defamation from Knox in a civil case running alongside the criminal trial.

The trial continues.

New hot rod for PC Plod!

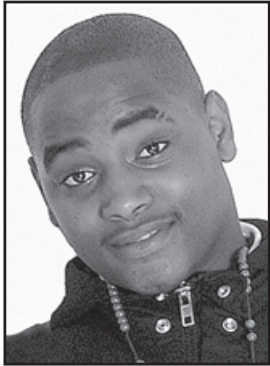

‘ELLO, ‘ello, ‘ello, what's all this then?

This futuristic new electric Police scooter was unveiled yesterday at the South of England show near Haywards Heath in West Sussex.

The brightly-coloured T3 Motion has three wheels, a 9in raised riding platform to give good visibility above crowds and can reach a top speed of 25mph.

It's just a pity it looks as though it's made of Lego.

Lad, 17, in court over teen's murder

A TEENAGER charged with murdering a 16-year-old boy outside a pub has been remanded in custody.

Giuseppe Gregory (pictured) was shot in the head outside the Robin Hood pub in Stretford, Manchester, on May 10. He was rushed to hospital but died a few hours later.

The accused youth, 17, who cannot be identified for legal reasons, spoke to confirm his name, age and address in the brief hearing at Manchester Magistrates' Court.

He is also charged with four counts of attempted murder, possession of an illegal firearm and possession of cocaine.

A second defendant, Njablo Ndlovu,

18, also appeared before magistrates in connection with the murder.

He is charged with conspiracy to pervert the course of justice.

Both defendants were remanded in custody and will next appear at Manchester Crown Court on August 28.

Giuseppe, from Ardwick, Manchester, was shot after masked raiders burst into the crowded pub where people were enjoying a music event.

The gang robbed a customer of a gold chain, then fired at the vehicle Giuseppe was in as it sped away from the car park.

One shot blasted through the back window and hit the teenager in the head.

Man remanded after wife's body is found in wheelie bin

AN unemployed chef charged with the murder of his wife whose body was found dumped in a wheelie bin was yesterday remanded in custody.

Peter Wallner, 33, spoke only to confirm his name, address and date of birth during the 10-minute

hearing at Woking Magistrates' Court.

The body of his wife Melanie, 30, was found hidden among rubbish outside a three-bedroom suburban home in Cobham, Surrey, a week ago.

German national Wallner is charged with the murder of Melanie (left) between August 1, 2006, and June 6, 2009. He is further charged with preventing the lawful and decent burial of her body between the same dates.

Foot

Bespectacled Wallner, dressed in a blue sweatshirt and jeans, was arrested by officers at Gatwick Airport on Wednesday.

His wife's body was found when a human foot was spotted protruding from the bin at the rented semi-detached house.

Chairman of the bench Robin Spray remanded Wallner in custody until June 30, when he will appear at the Old Bailey.

No pleas were entered and there was no application for bail.

Thatcher ‘on the mend’

MAGGIE Thatcher is in “good spirits” in hospital where she is being treated after breaking her arm in a fall.

The former Prime Minister's son, Sir Mark Thatcher, left Chelsea and Westminster Hospital, west London, after visiting her yesterday.

Sir Mark said: “She had a good night and was relaxed and slept well.”

“She has had some painkillers but was in very good order. She's in very good spirits.”

Asked when his mother is likely to leave hospital, he said: “That is entirely a matter for the clinicians.”

EASY, RIDER!

Naked cyclist makes a right arse of herself

By JAMES CRISP

WE'VE heard of getting saddle-sore but these naked cyclists are more saddle-PHWOAR!

These sexy girls went completely starkers in Southampton for the World Naked Bike Ride. One of the gorgeous babes came off her seat and gave our snappa an eyeful of her peachy arse.

Fortunately one of her fellow nude bikers was nearby to give her a helping hand.

One stunned onlooker said: "I've never seen anything like it."

"They didn't have a stitch on – just a bit of body paint – and some of the birds on bikes were fit as f***. I wouldn't have minded a ride with them!"

The World Naked Bike Ride is a global protest to highlight how vulnerable cyclists are to cars and to draw attention to environmental issues.

Similar events took place in Seattle, USA, Vancouver, Canada and Auckland, New Zealand on Friday.

AS THE CREDIT CRUNCH TAKES ITS TOLL, SOME WOMEN

THE BANKRUPT ADVERTISING BOSS

'After while, I started enjoying the sex'

DEBRA 26, from Edinburgh was a successful businesswoman who built up a thriving ad agency from scratch. She lived in a plush flat in the city centre, drove a Porsche and hung out at the glitziest restaurants and bars. But she lost it all when her business failed as the credit crunch hit.

I had it all. I had my own business, a gorgeous flat, a fast car and lots of cash to spend on going out and flash holidays.

I spent a fortune on clothes and shoes and bought the most expensive jewellery. But then the economy collapsed and my business went bust.

I didn't want to go back on the dole or live in poverty like I did before my business took off.

My husband is in marketing and makes a good living but it was nothing compared to what I earned.

A friend of mine said she sometimes worked for an up-market escort service in town and she made thousands of pounds a night.

I thought I'd give it go. At first I felt dirty having sex with strange men for money. But the money is so good.

I charge £1,000 for an hour and £3,000 for the whole night.

And after a while I started enjoying the sex.

I really love sucking men off, or spanking them, or taking it up the arse - because making them happy is a real turn on.

I was amazed how many of them want ME to take THEM up the arse too - I've got a range of strap-ons from the tiny to the cucumber-sized - and I can always charge extra for that by saying it's an unusual request.

Some of my clients are really generous - I've been given some amazing jewellery but obviously I couldn't wear it at home or my husband would start asking questions.

It's all worth it, though, because I make a fortune and don't have to give up my car or my house.

THE EX-CITY HIGH-FLYER

'I look like a lady but I'm a whore in the bedroom'

SCARLETT, 23, from London, was on a six-figure salary as a broker for a major bank in the City. But as the banking system collapsed she lost her job and she was forced to give up her luxury pad and jetset lifestyle. Unable to find work she turned to an escort agency.

I am the ultimate spoilt princess.

My daddy was rich and he always gave me everything I wanted - ponies, holidays, you name it, I got it.

It was through daddy that I met my husband, a successful broker for a major investment firm.

The sex was never good but I wasn't with him for the sex - I just wanted someone rich so that I could have everything I wanted without

having to work!

I know it sounds dreadful but I think it's good to be honest.

But it all went wrong when he lost his job.

I had to do something about it and I heard that women can make a fortune selling their bodies.

I rang up an exclusive escort agency and they took me on.

I only see the richest clients and I demand up to £10,000 a night.

They keep coming

back because I am so good at what I do.

I'm a proper whore - I have a beautiful accent and expensive clothes so I look like a lady, but in the bedroom I will do anything the client wants.

They can tie me up, spank me, I don't mind if they pee on me they can do what they like - the dirtier it is the more I charge.

And of course I get off on it too. I wouldn't do it otherwise."

THE ACCOUNTANT'S SPOUSE

'I was terrified we would lose everything'

Paula, 36, from Surrey, was a content housewife looking after three young kids while her husband - an accountant for a top firm - brought home the money. But he lost his job and it became difficult to pay bills and put food on the table. So Paula took matters into her own hands and went on the game to make sure her family were well looked after.

I was a happy mum and housewife without a care in the world until my husband lost his job.

Quickly we found it more difficult to pay the mortgage and the bills as our savings soon dried up.

I was terrified we would lose everything so I had to do something. I saw an advert in a local paper saying they were looking for escorts.

I rang them up and they said I could make lots of money.

They were right. I started

off making £500 a time for sex but I charge much more now and offer all kinds of extras - some of them want tying up and some want things that you couldn't print even if I told you!

I hate cheating on my husband but

I have grown to love the sex.

It is so wrong and dirty to be f***ed by total strangers for money but it makes me so horny.

Some clients are better than others but it is so satisfying knowing that I'm providing for my family.

And I'm having so much fun doing it. I would recommend it to any woman in my position.

THE BORED HOUSEWIFE

'Becoming a hooker lit a firework inside me'

Beth, 29, from Leeds is an Oxford-educated daughter of a vicar who lived a quiet life with her shopkeeper husband. She looked after her kids and kept busy with charity work. But tough times forced her into getting a part-time job to make ends meet.

My life was boring. I was so happy with my husband and the kids but it was pretty dull.

I needed a part-time job and my life spicing up so I checked out the local brothel.

I had always fantasised about being a call girl as a teenager but was always too sensible to do such a thing.

But I needed some money and adventure in my life so I tried it out.

And it blew my mind.

I've gone from being a prim and proper little housewife to a sex crazed hooker.

I love it. And I've been making so much money. In my first week a wealthy-looking Arab came in and took a liking to me.

Now he hires me every week and he pays me £5,000 a time.

He does ask for some quite odd things in the bedroom but he's a nice chap really, we actually have a laugh.

It has been the most

fun I have ever had in my life. I can't get enough of it.

It's been hard keeping it a secret from my husband but I don't care if he finds out. I'm my own woman now and I love what I'm doing.

He never satisfied me in bed as much as the men I see now.

Becoming a hooker was like lighting a firework inside me.

It was an explosion of passion and lust that has changed my life.

HAVE TURNED TO WORLD'S OLDEST PROFESSION

HOUSEWIVES
WHO
HAVE
SEX
FOR
CASH!

HUNDREDS of respectable MARRIED British women are selling themselves for SEX to make ends meet during the economic crisis.

An **EXCLUSIVE** *Sunday Sport* investigation found a **SHOCKING** trend of middle class women becoming **HOOKERS** for extra cash.

We visited brothels and high class escort agencies across the UK and spoke to dozens of once well off women who had been hit hard by the credit crunch.

We found housewives, married businesswomen, and former high-flyers offering **SEXUAL** services in return for cash.

All had a similar story to tell - they were doing it to maintain the lifestyles they had lost when the economy went into freefall.

Our team of crack reporters spoke to wives of bankers whose husbands had lost their jobs, meaning they had to rein in their lavish spending.

But they were offering **BONDAGE** and **ANAL** to wealthy clients at £2,000 a time to keep up their fancy lifestyles.

There were former City whizzkids and successful businesswomen who had been made **BANKRUPT** as

By JOHN WARD

their careers and businesses went to the wall.

Desperate to keep the cash rolling in they were raking in thousands every night for shagging sessions.

One high class escort service owner in London told *Sunday Sport*: "Normally we get young women with families to support, or students looking for extra money."

Bust

"But recently I've seen a growing number of respectable married women contacting me wanting to sell themselves for sex."

"Some had rich husbands who lost their jobs so they can no longer afford to continue the lifestyles they're used to."

"Others are successful themselves but are short of cash because they had lost their job or their businesses had gone bust."

"They turned to prostitution to make money and they can make lots of money selling sex - some up to £10,000 a night if they're willing to perform extreme requests."

Here we give you five of these women's **EXTRAORDINARY** tales in their own words.

We have disguised their identities and used false names to protect their reputations.

THE BANKER'S WIFE

'I do anything and everything'

AT 27 years old, it seemed "Mrs X" had everything - a swanky home in Cheshire, a husband who earned more than £1m a year and more money than she could spend. She would think nothing of spending thousands on clothes and shoes as her hubby, 20 years older than her, indulged her every whim. But her dream lifestyle came crashing down around her eyes after her husband was made redundant.

A few months ago my husband was made redundant and it couldn't have come at a worse time.

He was earning more than £1m a year but even so I'd maxed out all our credit cards on posh meals out, the best clothes - in fact the best of everything.

We were used to the high life with 5 star holidays, luxury cars and a £2m house which was mortgaged to the hilt.

To be honest I was completely addicted to the high life and could never imagine going back to work or having to scrimp and save for the luxuries I wanted.

But fortunately as a former fashion model I knew I had one asset that could keep me in the lifestyle I was now accustomed to - my body.

To become an escort was a necessity but I've always loved sex and had a big sex drive.

To be honest my husband hadn't been satisfying me in the bedroom for some time. He was pretty conservative in what he was willing to try and he would only give it to me once or twice a week.

I told him that I was going back to modelling and went to London. Then I approached the top escort agencies in the capital.

Even though they take 30% of what I earn they can put me in touch with the really top class clients who are willing to pay a fortune for sex.

However, it's not as easy being an escort as you might think. I have to go with whoever they send me whether I like them or not.

The work can also be physically demanding because when they're paying the price they are - they expect to get their money's worth.

I charge £1,000 for an hour or £2,000 for three hours or £8,000 for a night. For that I have to do everything and anything they want.

So if I'm giving a punter a blowjob I have to let them cum in my mouth and swallow the lot. Then I'm expected to keep sucking them till I make them hard again - which is something I'd never done before - not even with my husband.

I do both normal and anal sex. The first time

I did anal it really hurt, even though I made sure we used a lot of KY Jelly.

Even so I had to move my bum about and moan loudly as if I was really enjoying myself! But you get used to it after a while.

Sometimes I'm hired by couples and I'll have a threesome with the wife and her man. I've also entertained two guys at the same time - that usually ends in me being spit roasted - giving oral to one guy while the other screws me from behind.

I've caned, spanked and even peed on clients and they've peed on, spanked and caned me too.

My agency charges the very highest rates and I'm very well rewarded for my work.

The real money is in turning the clients into regulars, that can be a goldmine, and there are plenty of other girls out there willing to take my place so I'll do anything the customer wants.

I'm not proud of what I'm doing but at least I'm not relying on state handouts and I've kept my lifestyle.

Gordon Brown is cursed!

EMBATTLED Prime Minister Gordon Brown is suffering at the unseen hand of a gypsy curse, a leading psychic investigator has claimed.

Mr Brown has been rocked by resignations of senior ministers and the Labour Party also suffered a drubbing in the local and European elections.

But according to expert Lionel DeBrett, Mr Brown is a victim of dark forces.

Wigan-based mystic Mr DeBrett, a former children's entertainer, said: "The Prime Minister is a victim of a gypsy curse."

"Everybody suffers bad luck at some time but this is out of the ordinary."

"Maybe Mr Brown refused to buy some heather or turned down the chance to get Downing Street tar-maced - whatever he has done, dark forces are ranged against him."

Last night a spokesman for the Prime Minister said: "What? Who is this? It's gone midnight, you idiot!"

Circus bans cross-eyed gunslinger

A SQUINTING sharpshooter has been banned from performing at a circus after health and safety snoopers ruled his act too risky!

Brian "Tex" Perkins, 63, has been a fixture at Coco Loopy's Big Top for more than 20 years and has performed for the Queen.

But despite having a 100% safety record, inspectors insisted that he hang up his holster after a spot check outside Hull, where the circus is performing, uncovered his optical inadequacy.

Heartbroken Tex told newsmen: "I've been doing this act for years but they said that just because I was a bit cross-eyed, I could not do my shooting act."

Tex says that he has written to the Queen to object to the ban and aims to take his case to the European Court of Human Rights.

Ronaldo 'snub for pub team'

A PUB team manager last night spoke of his fury at what he calls a "bloody ignorant" snub at the hands of Portugal international Cristiano Ronaldo.

Ronaldo, 24, rewrote the record books last week when he was signed by Real Madrid from Manchester United for a massive £80m.

But Bert Grantham, gaffer at the Congleton Spartans pub side since 1989, says that he made an approach for Ronaldo six months ago.

He said: "It was obvious that Ronaldo was not happy at United - so we gave him an exit route."

"But despite writing three letters to his agent we heard nothing, which in my book is just plain rude. In fact it's bloody ignorant."

Last night a spokesman for Ronaldo appeared not to take the *Sunday Sport's* questions entirely seriously.

BNP'S NEW POLICY GOES TO THE DOGS

BONKERS BNP chiefs have called for a ban on the interbreeding of DOGS to preserve old English breeds. And a spokesman for the party reckons the bizarre policy will be a vote-winner in the next election. "We'd like to conserve traditional breeds of dog," said a BNP spokesman. "If we were to implement this government's social policies towards people on dogs then there'd be no pedigrees left."

Aggressive

"There'd just be a lot of a lot of mongrels who'd all look the same. *"In fact, we'd probably have a day to celebrate canine multiculturalism."* "I used to have corgis – which are great dogs – but these days all people want to have are dogs like Rottweilers and Pit Bulls."

"Snarly, aggressive dogs that aren't from Britain." The fascist party – which won two seats in the European Parliament last week – are currently working on their manifesto for the next general election. The spokesman added it would contain a section on animal welfare and blasted

people who have bought parrots imported from abroad. He added: "If you want to talk about animal welfare then lets talk about the trapping and importation of parrots from their native lands into this country. "Let's talk about ritual slaughter." He refused to say whether the party

would send canines back to their country of origin. Party leader Nick Griffin, 50, has also scored an own goal by setting up a Twitter site – but gained just 170 followers in over a month. A source told us: "He's less than impressed with his numbers of followers and has asked his cronies to drum up some more so that he appears to be more popular."

Snakes on a plane – smuggling drugs

A SICK smuggling ring has been caught bringing heroin into Britain inside pet snakes. Heartless traffickers filled the reptiles' bellies full of "brown" with a street value in excess of £200,000. More than 30 pet snakes were stuffed to the brim with nearly a quarter of a ton of heroin, according to an police insider. Sunday Sport has unearthed shocking X-ray pictures of the snakes with their swollen bellies packed with condoms containing the deadly narcotic. The snakes were on a plane due to fly from Mumbai to Heathrow when a

routine check of the hold unearthed the massive smuggling operation. Cops are now said to be concerned that this latest haul could be the tip of the iceberg as far as using animals as drug mules goes. A police insider said: "Top brass are worried about industrious traffickers using domestic creatures as their mules and potentially killing thousands of innocent pets." Only six of the 30 snakes captured could be saved.

LESBO UNI GAVE GOOD

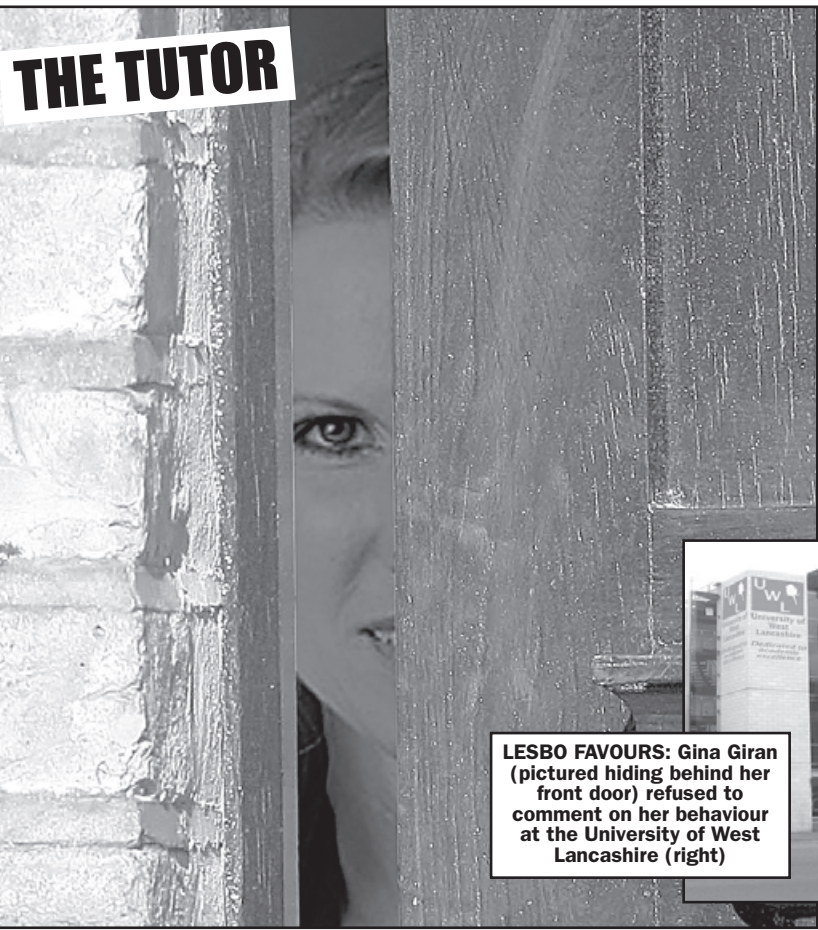

By JAMES CRISP

A LESBIAN lecturer swapped good grades for same-sex nookie with at least two of her female students.

Media Studies prof Gina Giran, 37, is accused of handing out first class degrees to her favourites in exchange for girl-girl romps.

The marks-for-muff scandal was exposed by student Alice Rodes, 21, who claimed she was threatened with a third-class degree if she didn't give in to Dr Giran's demand for oral sex.

Final year student Alice consented and indulged in no fewer than EIGHT more

LESBO FAVOURS: Gina Giran (pictured hiding behind her front door) refused to comment on her behaviour at the University of West Lancashire (right)

'If I let her go down on her office she'd give me for my dissertation'

"GINA'S bisexuality was an open secret at the uni. "She was always very flirty and friendly with her favourites but no one thought much of it – just that it was her way. "I was the same until I had my one-on-one meeting with her to discuss my dissertation on Spanish Queer Cinema. "She made it clear to me that if I let her go down on me in her office I would be guaranteed the top grade possible a first. "Gina said that she had been having regular and in her words, extremely hot and heavy, lesbian sex, with students for years – and that all her girls had got firsts. "She even named two other girls in my class, another blonde and a red-head, who she said had been shagging her since the first year – sure enough they had always got the best marks in the year. "When I asked her what happened if I refuse she just said: 'Oh nothing darling – but of course if you're happy

with a third well that's up to you.' I thought about it for about 10 seconds – after all this was my future we were talking about – before making my decision. "I didn't say another word. I was wearing a short skirt and I slowly uncrossed my legs and leant back. "Gina was on her knees in front of me in seconds tugging at my panties – she commented on how clean they were. "Then I felt her tongue flick over my clitoris and the first tingle of pleasure

chair in her office and began reapplying her lipstick - she looked me in the eye and said: "I'll be seeing you soon Alice - you trot off now. " "After that we met another four times for what she called our 'special one on ones.' "Sometimes she just leap on me as soon as I walked in and tear at my clothes, biting and sucking me – especially on my breasts which she called 'her little feminists'.

"She even gave me money to have a Brazilian wax so she could have easier access to my ladyparts. "I began to enjoy it – I'll never forget the first time I made her cum. The look on her face was like I'd got the

best marks ever. "I'm not a lesbian but I was at uni and you're meant to experiment there and I was making sure I'd get a good career – at least I thought I was making sure of getting the top marks. "Each time we met she'd go a little further. One time we did it on the floor completely naked in the 69

hit me. "It was confusing but at the same time I couldn't help getting excited - she was such an expert. "I confess I came twice in a very short period of time - the second time I completely lost control as she was playing with my nipples. "Afterwards she sat back in her

lesbo romps with the head of the department before the final summer exams.

Sure enough – Alice was awarded a first-class degree and now has her pick of several high-flying City jobs in London.

Naive

But the curvy brunette, from Bath, blew the whistle after she discovered Dr Giran was sleeping with ANOTHER girl student – and gave her even better marks than her!

She said: "I've got my degree and no one can take that away from me.

"But I entered into a deal with Gina – a deal I thought was between me and her.

"Maybe I was naive but

after giving her my body again and again I expected to be top of the year – not coming second to some blonde slut.

"That's why I decided to lift the lid on her sordid power games."

Dr Giran – famed for her feminist reading of The Godfather films – has been suspended by the University Of West Lancashire in the wake of the scandal.

When *Sunday Sport* confronted the married academic, who has taught at the Uni for five years, at her Preston home, she refused to comment.

But our snappa managed to get a picture of the predatory babe and respected theorist.

Sunday Sport tracked down one of Giran's former pupils

and lovers, who asked not to be named.

She said: "I did have sex with Gina on a number of occasions. She'd often hold me back after lectures on the pretence of discussing some new theory – but all she wanted was to lick my body all over.

Inexperience

"I went along with it and even enjoyed it and I got a first. Now I work for an investment bank and have a very good salary – but perhaps she did take advantage of my youth and inexperience."

A University of West Lancashire spokesman said: "An internal inquiry is taking place but we never comment on individual cases."

position – between licks she was panting: 'Someone could walk in at any moment'.

"That danger really turned her on and it was exciting for me too. Soon we moved on from fingering and tonguing to using sex toys.

"She made me sit in her big chair, wearing nothing but my shoes, with my legs wide open and tied open with silk scarves – she even hand-cuffed my hands up above my head.

"Then she frigged my senseless with a variety of vibrators – I came and I came and I came.

"I was so loud she ended up gagging me – it was incredibly intense.

"Finally at our last meeting before the exam she stood up from behind her desk to reveal she wearing nothing but suspenders and a huge strap on.

"She ordered me to bend over the desk and f***ed me roughly from behind.

"As she watched me get dressed she said: 'Don't worry about the last exam sweetie – it's all been taken care of'.

"Then she gave me a lingering kiss and sent me on my way – that was the last time I ever saw her."

In scenes that'll make grown men weep, she takes off her knickers, opens her legs, and slowly rubs her fingers around her pink opening.

There's a scorching scene in the kitchen – Jo strips and washes her bra and panties in the sink.

When they're dripping wet and covered with bubbles she rubs them all over her delicious naked body, **MOANING** in ecstasy.

Then she's seen in the shower, spreading her legs and rubbing the soapy pink sponge all over her most intimate parts. She

SuBo 'killed my pet cat'

A HEARTBROKEN homeowner has sensationally accused her neighbour SuBo of killing her cat with a samurai sword.

Spinster Maisie Cox, 52, has been embroiled in a bitter feud with SuBo, who she describes as "a neighbour from hell... and then some".

The Bristol dinner lady said: "That bitch SuBo - she always hated my little cat Freddie."

"She said he used to come and poo in her garden but he would never do that."

Bloody

"I'll never forget coming home and finding his little body chopped clean in two - when I confronted SuBo she waved a bloody Samurai sword and told me to: "go away!"

Sunday Sport confronted Subo - a 45-year-old Japanese woman who works as a language teacher.

Her unusual name is part of an oriental tradition among nobility to only use the first name.

She said: "I did not kill her cat, of course not."

"I am afraid you've had a wasted journey. Miss Cox is a very racist person."

"Now I just try and ignore her."

Champion pub team trains on p*ss-ups!

A SUNDAY league pub team are celebrating a championship win the same way they played all season — as pissed as farts!

The team from the Screaming Goose pub near Thirsk, North Yorkshire, were unbeaten all season, winning 32 out of their 38 league games.

They say their secret is getting hammered before the game, relieving any stress or tension and helping create a positive team atmosphere.

Captain Mark Moss, 25, said: "The matches kick off at 10am on a Sunday so we all meet up in the pub on the Saturday. We have a right skintful then it's a nightclub or a strip joint until about three in the morning."

"After a few hours sleep we get together an hour before kick off and sink a few cans."

Team coach Stan Field, 45, also the landlord of the Screaming Goose, says the whole thing was his idea.

He confessed: "Some of the best players the world has ever seen were drunks. Look at George Best and Gazza!"

"My job is easy. Get the lads tanked up then tell them to go out and express themselves. But if they need to throw up they have to leave the pitch."

"There's a kebab waiting for them when they come off after 90 minutes and a few more hours in the boozier to celebrate another win!"

Parents' fury over 'poo at Paul's' ad

PARENTS up and down the country are furious with advertisers after the "I want to have a poo at Paul's house" commercial has stopped kids using their own toilets.

The Glade ad for Touch and Fresh sees a young lad tell his mother he won't take a dump on the family throne. He insists that he's going to "Paul's bathroom" because Paul has one of Glade's new products.

But mums and dads all over Britain incensed as their little ones now won't do a number two in the safety of their own home.

Some have formed a protest group called People Against Paul's (PAP) to try to get the ad dropped. Representative Joe Varney said: "I have a young lad about the same age as the boy in the ad and all he talks about is going to Paul's for a poo — and we don't even know anyone called Paul!"

There was no one available to comment at Glade.

THE BIGGEST NATURAL BREASTS IN THE WORLD

RACHEL sure looks swell, doesn't she?

Rachel's 32K jugs are just boobiful

By RICHARD LACKEY

THIS babe has a MIGHTY pair of boobs!

In fact, the **GIANT 32K** belters are the **BIGGEST NATURAL BREASTS** in the world and belong to Rachel Aldana, 22.

The babe, who was born in Northamptonshire but now lives in Glasgow, has already made it into the Guinness Book of World Records for having the largest natural norks in Britain and is set to be crowned world champ!

Massive

Hairdresser Rachel said: "I've always been aware of the fact that I have massive boobs."

"And, it's really great that mine are the biggest natural norks in the world. I'm really proud of them."

"I have to buy bras from special shops because normal ones just can't accommodate my **MASSIVE BUST**."

"And it's a real struggle to keep them under wraps. They're always **POPPING OUT!** Put it this way, I can't hide them."

Rachel says the main reason she moved to Scotland was because lads there love a big bosom.

She said: "Scottish men really appreciate a woman with big boobs."

"And I've been proved right. I've been here a few months now and I can't walk down the street without fellas commenting on my massive boobs. They just love them."

Estate agents used clients' homes for sex orgies

RANDY estate agents have been using houses for sale as venues for swinging parties.

The filthy staff at Crisp, Hudson and Co in Middlesbrough had begun to swing in their own homes but wanted a bigger and better thrill, West Middlesbrough Magistrates heard.

As their sexual appetites grew, Dave Cartwright, 43, and 45-year-old Andy Hammersmith, decided to branch out and start using swingers websites to attract new couples.

After several orgies in clients' semis, the £30,000-a-year estate agents began to use the homes of millionaires who had moved elsewhere or had several properties.

Cartwright and Hammersmith would then advertise the properties on the net and swingers from far and wide would come to get their sex kicks.

After several months of successful bonking, the pair were found out when a client returned home early.

Both have pleaded guilty to trespassing and lewd behaviour and magistrates adjourned sentencing until next month.

BIG BROTHER'S LITTLE LOVER!

Porn dwarf to 'sex up' boring house

BRIGHT BEGINNINGS: Itsy Bitsy's career took off after she had an orgy with *Sunday Sport* readers and porn legend Cathy Barry

BIG Brother bosses are set to spice up the series by introducing the world's SMALLEST PORN STAR — *Sunday Sport*'s very own Itsy Bitsy — into the house.

The show's producers are disappointed with the show's **BORING** housemates turning viewers off and are about to play their trump card. Executives, who were hanging on until later in the series to introduce the American bongo actress, have decided to jet her in immediately after ratings dropped. Sex-mad midget Itsy, 28, of Orange County, California, is being used as a catalyst to get the contestants to start having it off with each other.

Rabbits

Speaking from her mansion, the pint-sized porn queen said: "If *BB* bosses want sex, then they've come to the right place. I've got bags full of tease ready to **UNLOAD** on the house mates and by the end they'll all be having it off with each other like a bunch of rabbits!" Channel 4 chiefs were hoping that this year was going to be the one in which two contestants finally had **SEX** live on TV. But with a lacklustre cast of students and eccentrics, nookie looks like it's off the cards . . . until dirty dwarf Itsy was given the nod. Measuring just 3ft 2in, Itsy weighs just 5st 2lb and she's ready to **BARE ALL** on British television.

By CHRIS HUDSON

The tiny tease, who once took part in an **ORGY** with 10 *Sunday Sport* readers and porn legend Cathy Barry, is set to re-create the event in the house. Producers felt they had to act when things were so boring on the set of the Davina McCall-fronted reality TV show that contestants had taken to **SNIFFING** each other's **SHOES!** An insider said: "The public want to see bonking and that's a fact. People don't want to watch other folk sitting around chatting. "They want flesh and **BONE-JUMPING!**"

PORN DWARF: Itsy Bitsy could inject some fun into this year's house that's so boring the housemates have taken to sniffing footwear

THE HOUSEMATES: Which one will our little sexbomb shag first? It won't be Beinazir, Sophia or Saffia — who are out!

Big Brother's Ultimate Sex Files — See Pages 44 & 45

Is this the cheekiest classified ad ever?

SUNDAY Sport reader Dave Berry spotted this amazing advert in the back of his local paper. The 45-year-old unemployed builder, who lives in London, couldn't believe his eyes when he saw it in *The Shepherd* — and immediately sent it in to our news desk. Dave said: "I was just having a flick through the jobs page and came across this fella who wanted a live-in nanny or au pair to look after his kids. "As you read it, it becomes obvious he wants the girl to not only take care of the little ones but to shag him senseless as well!" "Not only that but he's married, the sneaky f***er! It was so cheeky

By JAMES CRISP

and funny that I just had to send it in to my fave paper, *Sunday Sport*." The ad, written by a "devoted dad" asks for a blonde Eastern European with DD breasts who is good with children — and who must be prepared to bonk him three times-a-week. When our man rang the number, a woman who answered said: "What are you talking about? It's true we're advertising for an au pair but my husband would never expect her to have sex with him. "Just wait until he gets home!" **●HAVE YOU spotted a cheekier ad than this? If so, call Jennifer Bradbury on 0161 238 8191.**

DEVOTED DAD of two seeks live-in au pair to cook, clean and look after two delightful boys. Preferable Eastern European single blonde with a minimum of DD breasts who can be loving, patient and adaptable. As well as childcare, certain additional duties are required including having sex with me a minimum of three times a week. We live in a well appointed home in Shepherd's Bush London. Both my children are very polite and friendly and I am told that I am good in bed. Discretion is a must due to wife. Good grasp of English not essential. NO time wasters please.

THIS JOB MEETS NATIONAL MINIMUM WAGE

Veggie chokes to death on carrot

A VEGETARIAN who led a crusade to turn Britain into a nation of nut-munchers has died after choking on a carrot!

Pasty-faced Eugene Harrison, 63, appeared on daytime TV several times to try to convince us all that "meat is murder".

He also set up stands in cities including London, Manchester and Liverpool to expose what he called the "barbaric" treatment of animals bred for meat.

Ironically, it was not a bloody chop or nice bit of brisket that did for Eugene, but a raw carrot he was snacking on during a tofu seminar in Wolverhampton.

Fellow steak-shunner Sky Delaney, 23, was next to Eugene when he collapsed while listening to a man in a beard banging on about veal.

Tearful Sky blubbed: "Eugene was an inspiration. He turned so many people in the direction of vegetarianism and it was a vegetable that killed him."

The Association of British Vegetarians now plans to name a beetroot soup in honour of Eugene.

Wheelchair cheat went parachuting

A BENEFIT cheat banked his disability benefit on a Wednesday — before going parachuting just 24 hours later.

Shameless Terry Nuff, of Leeds, pleaded guilty to benefit fraud at Beeston magistrates court on Friday. The waster had turned up at the Job Centre in a wheelchair to claim sick pay.

But as soon as he was told he would be getting the dosh, he wasted no time in indulging his love of extreme sports.

Unfortunately for him, he couldn't resist ringing his local paper to boast of his achievements.

The resulting story was spotted by the authorities who promptly moved in.

Chairman of the bench Sophie Warde told Nuff: "You are lucky you were caught early of you would have to pay back far more than the £126 you claimed."

He was also ordered to pay £100 costs.

SCOUSE ABOUT THAT THEN: Jennifer in recent model pose and (below) her teenage telly snaps

By RICHARD LACKEY

THIS is the moment saucy Scouser Jennifer Ellison went TOPLESS for the FIRST TIME!

And the blonde bombshell was just 18 when she whipped off her top in the never-before-seen footage!

The stills, taken from axed soap *Brookside*, show the 26-year-old Liverpudlian **STRIPPING** down to her birthday suit to give us a glimpse of her beautiful **BREASTS**.

At the time the horny scene, which featured Jen's character Emily Shadwick getting down and dirty with her onscreen lover Tim "Tinhead" O'Leary — played by Philip Olivier, 29 — was deemed too steamy to show on prime time TV.

Rescue

So *Sunday Sport* has come to the rescue to show the Liver Bird's sexy moment in all its glory!

A TV source told us: "These sensational shots have only just been discovered and show the young Jennifer looking just swell!"

"It's amazing to think that she was just 18 when she acted out the sex scene. But even back then she seems really confident about her body and isn't afraid to show it off."

"There are some lovely moments when we get to see the babe's **BAZOOKAS** that will surely go down in soap history."

"It's scenes like these that make you wish *Brookside* would come back to our screens!"

We'll second that.

180 GOT ME A BONK!

Barmaid loses pub bet

By CHRIS HUDSON

A DARTS fan who'd gone without sex for a year struck it lucky when a barmaid promised him a LEGOVER if he hit 180 with three arrows.

Bachelor Martin Hopkins, 29, had gone through a dire period with the ladies.

But he hit the bullseye when buxom Jacqui Hayes, 34, who serves pints at The Magnificent Pheasant boozer near his home in Sunderland, took pity on him and gave him the chance of a **SHAG**.

Glum

Gorgeous Jacqui, known as "J" in the pub, was chatting to a glum Martin about his non-existent love life when she had the idea.

She bet him that if he could hit treble 20 with three consecutive darts he could play with her **DOUBLE TOP** and slip her his arrow!

J, who asked not to be photographed, said: "Martin's been coming in the pub for years and he's not had a very good

time of it over the past 12 months.

"He split up with his girlfriend of five years and since then he's been glum and unable to pull.

"Like all barmaids, I get to hear people's problems nearly every day and Martin opened up to me after several pints so I thought I'd give him a chance of breaking his sexual duck."

Martin jumped at the chance and the whole pub gathered round the

dart board and watched on dumbstruck as the average darts player threw three treble 20s.

Chuffed Martin said: "I couldn't believe my luck — not just getting the offer from such a stunna but hitting 180.

"Jacqui is not only beautiful to look at but she's **FILTHY** in the sack and we celebrated my achievement with a night of passion I will never forget."

There are three major gigs taking place this weekend — Download at Donnington, Rock Ness in Scotland and the traditional festival season opener on the Isle of Wight.

Burgling kids delivered to your house!

GANGS of young kids are burgling London homes by hiding in large delivery packages.

The crimewave has sparked fears that a real-life "Fagin's gang" is operating in the capital.

In Charles Dickens' classic Victorian novel *Oliver Twist*, Fagin teaches a mob of waifs and orphans how to steal. Now sources in the Metropolitan Police believe they may be up against a similar cunning outfit.

By JAMES CRISP

One cop, who asked not to be named, said: "The con can only be carried out by children or the very short."

Hustle

"But the hustle is far too advanced for kids to have come up with by themselves. It's clear they have a Fagin-style character leading them."

"Our Fagin is not the lovable rogue of *Oliver Twist* — he is, to be blunt, an evil bastard!"

The burglars have used the same scam at four different addresses in the capital over the last two months. An adult poses as a delivery

man and knocks on the victim's door with a package containing a child thief.

He explains the delivery is for next door and asks the neighbour to sign and look after it, as the intended recipient is not in.

Once the package is in the house, the child waits until the owners have left before calling his accomplices on a mobile phone.

He or she lets the gang into the home which they ransack.

Met sources estimate that more than £25,000-worth of property has been stolen so far.

ANNA TAVERNER

TARA PALMER TOMPKINSON

DWARF snappa Pararasey Pete has shown again why he's head and shoulders above the opposition.

Our 3ft 10ins photographer-about-town has been getting his lens into the nooks and crannies our sad newspaper rivals miss out on.

And he's really come up trumps with a whole collection of **KINKY** upskirt snaps showing the bits celebrities hate us to see – but that we love.

He got a **CRACKING** snap of cheeky 28-year-old socialite

By **ISOBEL DICKINSON**

Paris Hilton's bottom.

And even sexy supermodel Kate Moss, 35, isn't safe from Pete's prying lens – he's got a great snap of the leggy loveley's undercrackers as she climbs out of a cab on a night in the tiles in London.

He also managed to shoot over to Tinseltown to get some sexy undercarriage shots of Hollywood hotty Charlize Theron, 33, and perky 29-year-old popstrel Pink.

BRITISH men are finding it easier to crack one off to Kate Humble on the Beeb's *Springwatch* now that bearded naturalist Bill Oddie has gone.

In a survey of 1,000 fellas carried out by TV website *FitOnTelly.com*, 67% said they can w*nk in a more relaxed fashion now the 67-year-old former Goodie has departed.

Lads told pollsters that twitcher Bill reminded them of their fathers in some way which stopped them getting wood.

Choke

Couple this with 78% of men who say that they regularly choke their chicken to blonde stunna Kate, 40, and you have a happy bunch of men now comedian Bill has waved goodbye.

The hirsute former sketch writer has been replaced by *Really Wild Show* veteran Chris Packham whom 85% of men prefer.

Packham, 48, has ditched the spiked blonde hair and doesn't stray near Oddie's territory of double entendre, a move which has impressed *FitOnTelly's* site visitors.

Cantona

nut's kick

floors fan

A DIE-HARD Eric Cantona fan decided to recreate his hero's infamous flying kick to mark the release of the film *Looking For Eric*.

Amateur footballer Graham Silvers, 38, of Manchester, wanted to celebrate the general release of his idol's movie.

The Ken Loach-directed flick, set in Manchester, inspired the out-of-work plumber to unleash a two-footed attack on a fan at a park game.

Lunge

Centre forward Silvers lunged with both feet at innocent spectator Tim Fleming, 34, to recreate Cantona's darkest hour against Crystal Palace.

Craig Tims, prosecuting, told East Manchester Magistrates: "This man's only mitigation is that Cantona told him to do it - a very weak defence."

Silvers was ordered to carry out 120 hours community work after admitting assault.

Postie made paper swans from letters he pinched

A POSTMAN hid more than 2,500 letters in his home before turning them into paper swans.

Shamed Roger Thomas, 32, pleaded guilty to theft and was jailed for six months at Lakeside Magistrates Court.

The court heard that Thomas, from Birmingham, panicked after falling behind on his rounds.

Mark Crant, defending, told the bench that Thomas had resorted to origami – the Japanese art of paper folding – as a way of hiding his crime and relaxing himself at the same time.

Control

He said: "My client tells me that making paper swans out of the post did calm him down and gave him a sense of control."

"Sadly it was a sense of control entirely in his own mind and in no way anchored in reality."

The bachelor was caught after a Royal Mail investigation.

Where possible, the folded mail has been returned to its intended recipients.

Perv bungles his sex game

A MAN was saved minutes from death after being found tied up in his wardrobe dressed as children's TV character Bungle.

John-Paul Vanders, 36, was discovered by a neighbour, dressed up as the cuddly bear from 80s show *Rainbow*, in what appears to have been a bizarre sex game gone wrong.

The Derby man, who is an area manager of a shop chain, was suffering from asphyxiation and received hospital treatment.

THE DAY I HARDCORE

EXCLUSIVE
by CHRIS HUDSON

I WAS sceptical when my editor told me I had to go on a job in South Wales ... at a boring castle.

And then he added there were naked girls involved. **HALLELUJAH!**

Off I went with a gleam in my eye and an "I told you so" for all my ex-girlfriends who criticised my porn stash - well it's given me the experience to direct a **BLUE MOVIE**.

But over the three hours it took me to get there I began having visions of the shoot's bosses telling me I wasn't **BEHIND** the camera, but **IN FRONT** of it instead.

Images of starring with Emperor Dong and his incredibly long schlong and my todger looking like a malnourished **PRAWN** on a particularly cold day, suddenly made my arse drop, and that's not a good thing when crossing the Severn Bridge.

Sheepish

I arrived at the castle to be greeted by a fella asking me if this was the first porn shoot I'd been on to which I nodded sheepishly.

He said: "Okay then, if you want to go in the far room to get ready for the first scene where you'll be licking a girl out as another bird wearing a strap-on takes you from behind."

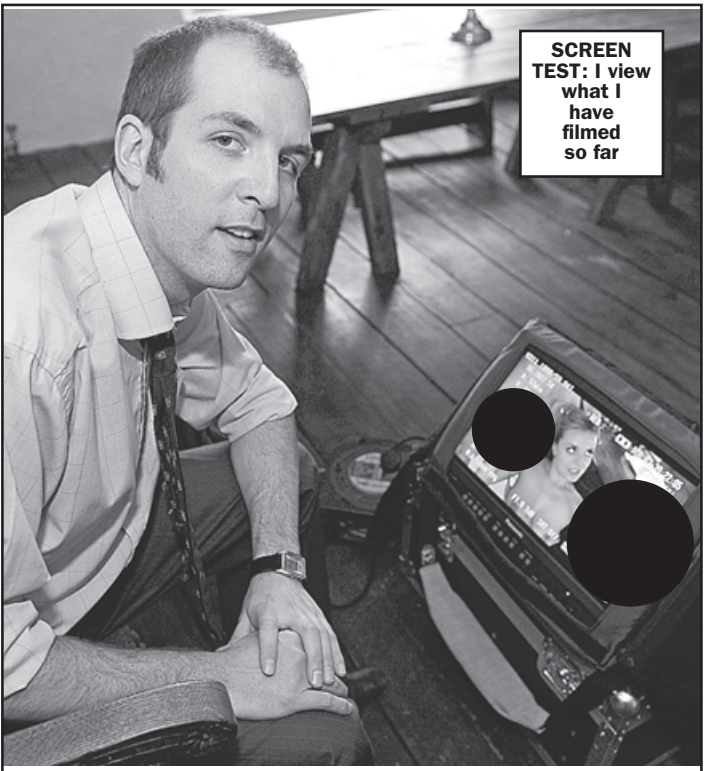

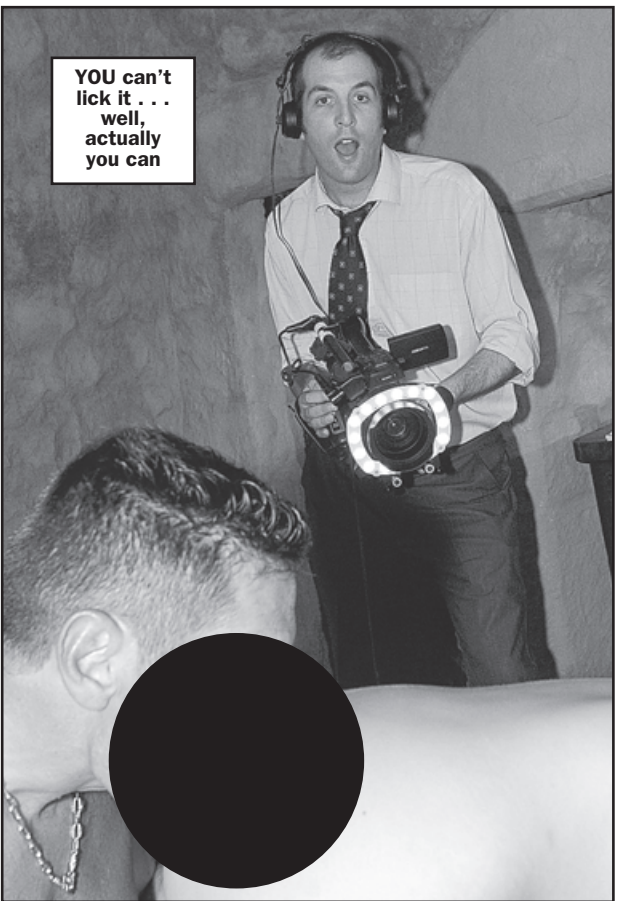

This was the sum of all my fears, my freezing little shrimp out for the whole world to see and getting **BUMMED** by Helga the Punisher to boot.

Seeing the blood drain from my face, my tormentor burst out laughing, as did the rest of the crew and then I knew that my backside was safe ... for now.

I was on the set of Harmony Films' next instalment of their hugely successful franchise *Young Harlots*, to direct part of the three-day shoot with a budget of £36,000.

Then I was told that male porn stars get between £300-350, girls £400 and a director can get up to £500 **A DAY**.

Forget journalism, I was

DIRECTED A PORN FILM!

SUNDAY Sport reporter's dreams come true as he's invited onto £12k-a-day sex flick set

MONEY SHOT: A steady hand needed as they go for the big one

going to make jazz flicks for the rest of my life. But I needed to know how, and being in the presence of greatness, the overall director of the shoot was the award winning, hardcore legend Gazzman, and he was my first port of call.

The Scot was lining up gorgeous Danish starlet Denice, dressed as a schoolgirl, who was going to be taught a lesson by two guys dressed like schoolmasters.

There were a few technical glitches to begin with, and Denice, who was getting impatient, shouted: "I'm so horny, when am I going to be f***ed?"

I looked round and every member of the crew had a look in their eyes which said: "Now, and I'll be the one to do it."

The dishy Dane wasn't disappointed for long and the banging got off to a good start as I learned how to direct people having sex.

Gazzman was coming out with some peach orders: "Lift up her shirt... keep the tits in... bend her around, you're in control, remember... pull the G-string across her asshole." I had a lot to learn.

Simultaneous

Things were going well, until there was a spot of bother with getting two metal **SEX TOYS**, which looked like slightly smaller snooker balls in Denice's vadge and bottom – simultaneously.

The pussy was a success, but the bum

was a struggle, eventually leading to Denice shouting: "It feels like I'm giving birth."

Gazzman's reaction was instantaneous: "Lick her ass to warm her up."

The set was creased up with laughter, for here were two lines we would never hear side by side ever again, unless we became a midwives in a comedy porn hospital.

Denice's bottom soon took to the sex toy, which didn't seem out of place in a building dating back to the Middle Ages, and those lads really did get medieval on her ass.

Once those scenes were over the f***ing began in earnest and as co-directors we decided to let the stars go

for some hardcore double penetration with very little intervention.

At times crouching next to Gazzman's medieval throne trying to pick his brains for my directorial debut was like being stood next to a Tourette's sufferer, blurting out: "More sucking" or "Suck his balls".

Denice started to shake as she orgasmed, screaming: "Please don't stop." Gazzman whispered to me "That's the gold". More like "That's the wood" as I tried to prevent a massive boner coming in the way of my new friendship with my co-director.

Romp

Then it was my go. The lads showed me what to do with the camera and I was in the four-poster bedroom directing a porn shoot, well, pointing a lens at three people romping.

Until from nowhere I summoned up the courage to shout, in a broad Scottish accent like Gazzman's: "More sucking." And suddenly I was a proper porn director.

During a break, one of the French male stars came through to chat while keeping himself hard by touching the end of his penis, almost w*nking, and he winked at me.

This was the nearest I'd ever come to feeling like George Michael.

Once the bonking was over everyone gathered in the kitchen to drink coffee, like a porno version of *Friends*.

Randy

Now was the time to ask the question everyone is thinking – how do porn stars stay hard for ages and not jizz like a randy schoolboy at the sight of a pair of tits?

The answer is simple, it's actually quite hard to cum when there's a load of people watching and filming, according to the experts.

For years I've been told that my love making is over too quick. Well from now on I'll be inviting a load of strangers round with cameras when I'm on the job.

Fan mental after 2 days listening to Girls Aloud

A MAN has been sectioned under the Mental Health Act after listening to Girls Aloud for 48 hours straight.

Dick Trent, who freely admits to being a "flamboyant homosexual", undertook the marathon girl band listen to raise money for charity.

The bachelor, 30, from Billingham, Teesside, went without rest, food or water for two days before he cracked.

Dick's friend, Scott Hoare, 28, witnessed the moment his pal lost his grip on reality.

Scream

He said: "It was terrible. The 45th time he heard *The Promise* he just started screaming.

"He didn't stop until the men in white coats came to take him away. He was shouting something about Sarah Harding.

"He always said that out of any of the girls in the band – she'd be the one that could turn him.

"It's a shame because he was so close to raising £2,000 for a good cause."

The marathon was in aid of a local dogs' hospice.

Telly ban for Lad to Ladyboy

CONTROVERSIAL new TV series *Lad to Ladyboy* – part of which was filmed in this country – has been banned in the US.

The show, which follows the format of popular ITV1 programme *Ladette to Lady*, has been axed by broadcasters because of its treatment of gender issues.

Lad to Ladyboy shadows a group of sexually confused young men, who go from outcasts in their home towns to Ladyboy Camp where they are shown how to become the "Third Sex".

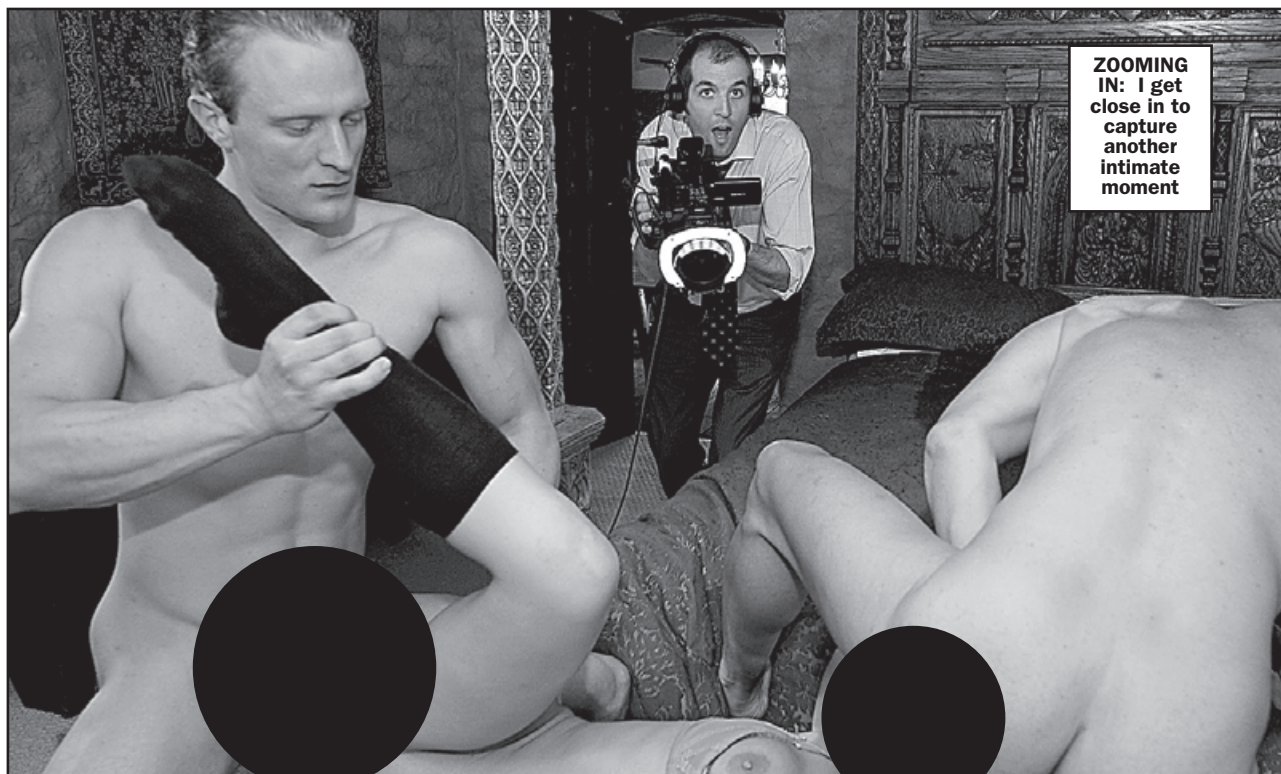

Initiation

Experienced ladyboys from Thailand show the fellas the ropes in a Bangkok retreat, with some scenes shot in Devon's rolling countryside, initiating them into the ways of being ladyboys.

An American TV insider said: "The show crosses a lot of boundaries, both of decency and of taste.

"Because a lot of the contestants openly struggled with their decisions it left the viewer thinking that the programme was a mistake and that's not good TV."

SNAKES ALIVE, BEENY'S BACK

What you missed in BB this week

PROPERTY Ladder is back – but sadly there's no such thing any more as the property market is completely and utterly f*ed.**

Luckily, it doesn't mean the end of the show and we still get to gawp at Sarah Beeny's fun bags when we should really be watching some complete novice trying to remove a chimney.

They've skilfully renamed the show *Property Snakes And Ladders*, and are now including some people who

thought they could make their fortunes from doing up and then selling on wrecked old houses.

But, burned by the recession and their own greed and stupidity, they've ended up financially wrecked themselves.

Casualties

Might have been better to see some of the hardcore casualties, people who have lost the lot and now don't actually have any property whatsoever.

They'd probably give their right arm for an actual f***ing ladder. Or even a snake for that matter.

IN case you're not following this year's gripping *Big Brother*, every week I'll fill you in with the three major highlights.

That way you'll feel comfortable talking about it with your friends and colleagues without having to sit through any of it.

Golden

Here's my three golden moments from the past week...

1. Benny revealing that he'd brought two massive suction cups into the house with him and spending 48 hours clinging to the ceiling, claiming to be a caterpillar turning into a butterfly.

Pathetic

2. Wozza's pathetic attempt at seducing Penny, jumping up and down at the foot of her bed and singing "Wozza wanna bunny Penny" over and over again.

3. Jick's one-man naked protest in which he refused to come out of the diary room until *Big Brother* provided him with a blow job robot. He failed.

TNT's Jack needs blowing up now!

CHANNEL 4 have decided to let some young people do topical comedy on Thursday nights, in a something called *TNT Show*, hosted by a smug, cynical little prick called Jack Whitehall.

Big mistake – no one under the age of 30 knows anything about anything.

Whitehall has the look of an icy, calculated careerist, and is blessed with an almost criminally high level of over-confidence.

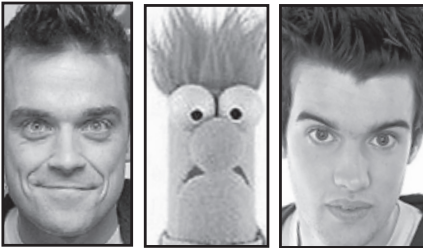

Mission

It's like he woke up and decided to become a stand-up one day, got a book about how to do it (written by a failed stand-up probably) and set off on his mission.

Crucially, he forgot to learn how to do jokes properly, contributing to the *TNT Show* being a vast ocean of shite, but that won't stop him.

Mark my word, he'll have Jonathan Ross's Friday night talk show by 2019 and all of our lives will be much, much worse as a result.

CORRIE'S recurring twat David Platt – once again he's tried to orchestrate some big boy badness by setting up Gary to burgle Audrey's house then framing him. It was never going to work out, especially as Gary is a proper criminal with a proper criminal mind and David has a brain the size of a f***ing walnut.

He should stick to his salon job, nicking the dead hair and making them into wigs to sell on eBay.

Taken for Granted...

GLOBE-TROTTING danger-sniffing renegade Grant Mitchell, er, I mean Ross Kemp, is back on our screens racing around in the world's most dangerous, er, danger spots.

This week he took to the High Seas in search of pirates, the men who are more Jack The Ripper than Jack Sparrow.

If it's pirates he's after, he should have just come down my local on a Friday night. There's a Chinese bloke who comes in with all the latest blockbuster movies on DVD for just three quid each.

Job done, thousands of Sky One pounds saved.

‘Poor sight’ blamed for botched hit

AN elderly assassin claimed he shot the wrong man because his eyes weren’t “what they used to be”.

Sasha Udany, 70, said he was sorry for the mix-up and admitted he should have retired a long time ago.

The World War II veteran told a judge: “It was my pride but I kept thinking I could do one more job.

“My eyes aren’t what they used to be and now an innocent man is dead, I have never felt so guilty.

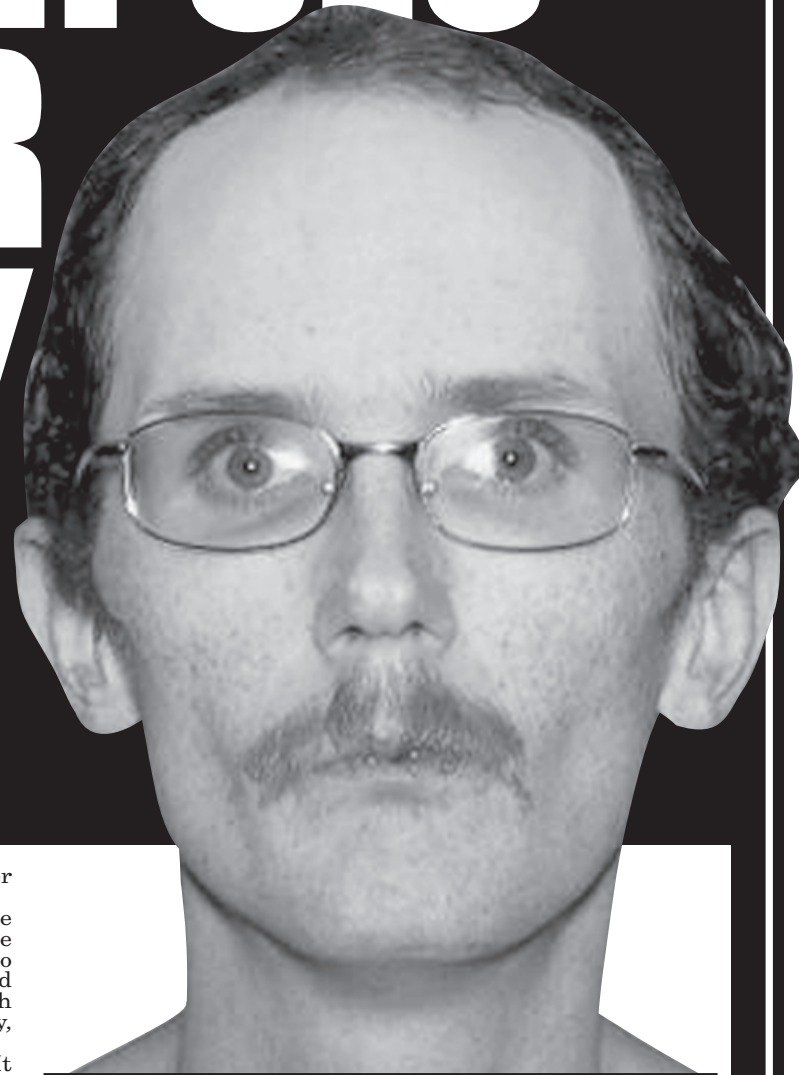

Udany’s defence lawyer Grigory Ulan told the court in Tampa, Florida, his client had worked for the U.S. Army and the KGB.

And after the fall of the Soviet Union, he sold his services to gangsters in the Russian mafia.

But after the botched murder of pizza delivery man Alexey Ustanov, 23, Udany turned himself in and now faces a life sentence.

MORGUE WORKER TOOK CORPSES HOME FOR COMPANY

Sick Yank watched TV, played cards and chatted with THE DEAD

A LONER morgue worker stole dead bodies from work and took them home to “keep him company”.

Oddball Clarence Hallner, 43, watched TV, played cards, had conversations with and even cooked dinner for his corpse chums.

The sicko would return the stiff every morning to the Nauman Lincoln Roos Mortuary in Boston, USA, where he worked for more than 10 years.

It is estimated that he “borrowed” at least 3,000 corpses, for what he called “quiet nights in”.

“Creepy Clarence” — as he has been dubbed by the local press — pleaded not guilty to bodysnatching and abuse of trust on the grounds of insanity when he appeared at the City Court on Friday.

His boss Gerry Kinster

EXCLUSIVE
by JAMES CRISP

told the court: “He was the model employee, first to arrive in the morning, last one out at night. Now I guess we know why.”

Hallner, a bachelor, was only caught after he accidentally returned two corpses to the wrong coffins in January this year.

Prosecutor Wilfrid Bellows told the court: “It was perhaps inevitable that he’d slip up one day.

“After one of his so called cosy nights in Hallner got caught in a traffic jam, which made him late for work.

“In his haste to hide his crime, he put the wrong bodies in the wrong coffins.

“Naturally this was noticed by the families, who alerted authorities.”

Earlier in the trial mortuary owner Mr Kinster explained how he

confronted Hallner after the families complained.

He said: “Clarence looked me dead in the eye and said: ‘You have to understand that the dead bodies who come through here are my only company, they’re my friends’.”

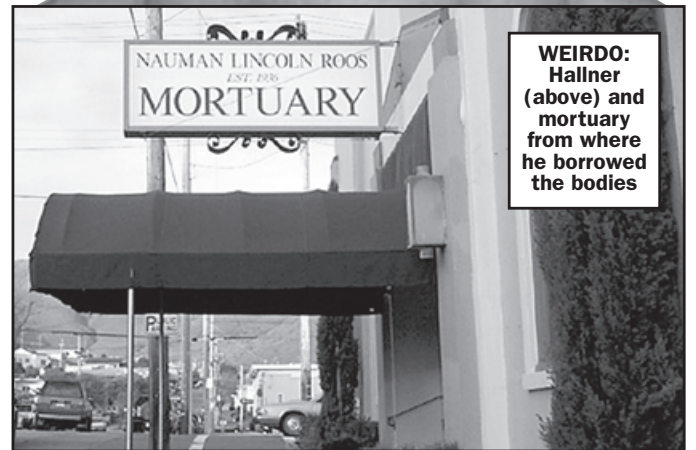

Kinster then added: “It was then the whole sorry tale came out and I called the cops.”

Artie Pearce, defending Hallner, admitted the case had shocked the “whole of Massachusetts” but he claimed they were “victimless crimes.”

He said: “My client’s actions may be bizarre and distasteful but who did they really hurt?

“Clarence would talk to the bodies, play games like Monopoly or cards, watch basketball or TV shows with them — but he never did anything sexual with them.”

The jury is expected to return a verdict this week.

Puddled puddle f***er!

A MAN is behind bars after repeatedly having sex with puddles in broad daylight.

Former taxi driver Karl Hurlinger, 48, has been convicted for the third time of the offence and was given nine months in jail.

His latest arrest came outside a shopping mall in Berne, Switzerland, where he shagged a car park puddle during a storm.

Shoppers looked on in horror and drivers swerved to avoid him as Hurlinger humped the puddle for five minutes before cops arrived.

Psychologists say his fondness for puddle-bonking comes from his childhood, when he was given a bucket with a pair of plastic breasts on the front.

SHARK WHISPERER’S TRAGIC END

A BRITISH “shark whisperer” met a tragic end while talking to great whites off the coast of Australia.

Charlie Gooders, originally from Cornwall, was brutally savaged by one of the beasts on Friday afternoon.

The 31-year-old was almost completely eaten in the waters off the coast of Sydney.

Charlie, described by Aussie girlfriend Paige Stallard, 21, as “a crazed Pommie idealist” had ignored warnings not to try and talk with the man-eaters.

Great whites are the deadliest of all the killer fish but Charlie felt he could connect with them.

The former secondary school biology teacher and Norwich University graduate had quit Britain for a new life Down Under more than seven years ago.

By JAMES CRISP

He quickly made a name for himself for his ability to calm less deadly sharks and “whisper” them away from tourist spots, so stopping them from being killed by the authorities.

Until naturalist Steve Irwin’s bizarre death at the hands of a stingray in 2006, Charlie was

rumoured to have been offered his own TV show but that was axed after the *Crocodile Hunter*’s demise.

Orphan Charlie once said in an interview: “I love sharks, they are beautiful creatures and I would die for them if needs be.”

Tearful Paige told reporters: “Charlie was a lovely man who was passionate about sharks.

“I tried to stop him whispering to great whites but he would just tell me that if he didn’t try they would end up being killed by humans to protect the tourism industry.

“I guess he was happy to die for that. He was a crazy Pommie idealist but he was my crazy Pommie idealist.

“And he died doing what he loved best — shark-whispering.”

CONSPIRACY CORNER

#6

ALIEN REPTILIAN HUMANOIDS

By Neil Goodwin

LOCK your doors, look to the skies, and don your tinfoil helmet to stop the aliens manipulating your brain, because today we continue our new *Sunday Sport* Conspiracy Corner.

We'll be delving into shadowy governments, UFO cover-ups, reptilian overlords and the famed 9/11 urban legends.

Remember, despite what the Government might tell us, there's something out there...

Are England's Royals really reptiles?

THERE are some crazy conspiracy theorists out there, and then there's Brit loon David Icke.

On the face of it there's no clue in his history as to why he became a mentalist.

He used to be a professional footballer – a goalie for Hereford and Coventry City – and when injury cut his career short at 21, he became a top sports journalist.

Icke was a fixture on BBC's *Grandstand*, and was the voice of their snooker coverage too. But then, in 1990, the shit hit the fan and the Beeb scrambled to get him off-screen sharpish.

While Icke was spokesperson for the Green Party, he claims he received a message from the spirit world through a medium, who told him he was the "chosen one".

Most normal people would keep that fact to themselves, shrug and carry on with the rest of their lives.

But Icke chose to appear on national telly chatting to Wogan claiming he was the "son of God," and that Britain would be devastated by tidal waves and earthquakes. Not surprisingly, it didn't go down well.

When Britain had finished taking the piss there were serious calls for him to be committed to a mental asylum.

The bat shit claims didn't stop there, and soon he'd unleashed the mother of all conspiracy theories: that the Earth is being secretly ruled by a race of alien reptilian humanoids.

He reckons that most of the world's leaders, from William Jefferson Clinton, Hillary Rodham Clinton, Barack Obama and George W. Bush to members of our own Royal Family, are related to the 7ft tall, blood-drinking lizards from the star system Alpha Draconis.

Icke's proof? In an interview he

claimed that Princess Diana told him herself, saying they could shapeshift from being reptiles back to humans.

These huge lizards control **EVERYTHING** on planet earth, and most bad things that happen are caused by the overgrown newts as part of some grand plan.

In Icke's view, the Holocaust, the Oklahoma City bombing, and the September 11, 2001, attacks are all examples of events financed and organised by the "Global Elite" or "illuminati".

He also says he reptilians came to Earth from the constellation Draco. So, all well and bananasuntil you hear some of the predictions Icke made that **DID**, in fact, come true.

In January 1999, he wrote that "between 2000 and 2002, the U.S. will suffer a major attack on a large city".

In his 1990 paperback, *Truth Vibrations*, he declared: "The years after the millennium will see gathering conflict all over the world to the point where the United Nations will be overwhelmed."

He also predicted severe hurricanes around the Gulf of Mexico and New Orleans after 2000.

He said: "People think I'm some kind of prophet but I'm not someone who gets my information from the ether. I've been given the co-ordinates about how things work."

MY FIRST TIME!

The sex was drunk and meaningless but we both had a hell of a good time

FIRST HAND-JOB

FLO: I was at a house party with my boyfriend when I was 16, when I tugged his willy off for the first time. We were in a bedroom together when he started touching me up and then he put my hand on his crotch so I went for it. I didn't have the foggiest what I was doing so I couldn't wait for it to be over because I wasn't sure if I was doing it right. Luckily it only took 30 seconds and he came all over his pants.

ANNA: I was also 16 when I first tried it. My boyfriend and I had done everything else in terms of snogging and fondling so giving him a hand-job seemed like the next step. We did it in his bedroom but I didn't like it. It felt weird and because boys are so good at it themselves I thought me doing it would be a bit of a let down. It took about five minutes for him to come and he sprayed it everywhere! I wasn't impressed when I saw stains on my coat the next day.

FIRST BLOW-JOB

FLO: Giving my first blow-job was one of the most nervous times of my life. I was 16 and at his house one night when he just came out and asked me to do it. I was really nervous but thought that it would be fun to try. It felt a bit weird at first as I didn't have a clue how to do it but after a few minutes I got the hang of it. It took him about five minutes to come but I was relieved when he did because I was getting jaw ache. The jizz tasted disgusting though, it was like having a salty mouthwash! I couldn't wait to run to the toilet and spit it out.

ANNA: I didn't give a blow-job until I was 17 and it was to my second boyfriend. I was too scared about having a willy in my mouth when I was with my first boyfriend so I avoided it. My second boyfriend went on and on about it, so I knew I had to give it a go. I actually found it OK when I did do it. I got the hang of it straight away but it still took 15 minutes to make him come. I spat it out too, jizz tastes like gone-off fish!

FIRST TIME

FLO: It was a bit of a surprise when I lost my virginity at 16 because I'd expected to hold onto it for a bit longer. I was with my boyfriend in his bedroom watching a slushy movie when kissing led to fondling and fondling led to us having sex. It wasn't that great to be fair, probably because I didn't have a clue what to do, I just lay there like a sack of spuds! It lasted about 10 minutes and was pretty much like I thought it would be.

ANNA: I lost my virginity when I was on holiday in Portugal when I was also 16. I was with my boyfriend and we were both virgins. We'd planned it for about a month before we actually did it. But when it came to doing it we felt really awkward because we were both so nervous. It lasted

about 20 minutes and was very stop-start. It was a huge relief to get it out of the way.

FIRST HUGE WILLY

FLO: I've started seeing a guy recently who has the biggest willy I've ever had. I'm not kidding when I say it's easily nine inches long. I wouldn't have sex with him the first time I saw it because I was too worried about it hurting but when I did try it out it was really good. I was surprised that the size didn't make a huge difference, the sex was really good though, probably because we fancied each other so much. I don't think size is important, as long as it's no smaller than five inches.

ANNA: One of my exes had a 10 inch willy, and that's definitely the biggest I've ever had. The first time I saw it I just thought 'Yes!' When we first had sex it was quite tricky because we couldn't get it to go in, but once it did it felt really good. I think the size made a hell of a difference, it definitely made the sex better. On one night stands size is very important but if you're in love with the lad it doesn't matter how big his todger is.

FIRST TIME BUM FUN

FLO: I tried bum sex for the first time a few months ago. I was really curious about it because I'd had mixed reports from friends but when I suggested trying it to my boyfriend he couldn't wait. It was OK, didn't hurt a bit and my boyfriend absolutely loved it. Although it didn't really turn me on or anything, I loved seeing the amount of pleasure he was getting from it. I'd do it again but only with a boyfriend who I'd been seeing for a while.

ANNA: I've never tried bum sex because I'm scared that it will hurt. Even the thought of someone doing me up the bum makes me feel quite sick. But I need to get over it because a few of my friends have given it good reports. I'll definitely do it one day, I think you should try everything once.

FIRST TIME OUTSIDE

FLO: I had sex outside for the first time when I was 17. We did it in my parents' swimming pool in the back garden. It was a really hot summers day and we were fooling around in the pool when one thing led to another. We were pretending to have sex and then we had sex for real. It was mega exciting knowing my mum could look out of the window and see what we were doing. The thrill of being caught was a big turn-on.

ANNA: My first time outside was at my friend's birthday party behind a bouncy castle in some bushes with my boyfriend. Everyone was drunk and were

either on the bouncy castle or in front of it, so my boyfriend and I nipped behind it for a quickie when we got the horn. It was a bit cold but I loved knowing we were just feet away from other people but they couldn't see what we were up to. Having sex outside is always a lot of fun.

FIRST TIME DRESSING UP

FLO: When I was 17 I dressed up as a schoolgirl for my ex-fella. He'd told me it was his fantasy a few months beforehand so I pulled out my old school uniform and put it on for his birthday. I even put pigtails in! He couldn't believe it when he saw me and we got straight down to business. It made me feel really comfortable because I was pretending I was someone else and he was just mega excited! It made the sex lots of fun, I'd do it again.

ANNA: I was 19 when I first dressed up for a shag buddy of mine. It was Valentine's Day and I bought a nurse's costume and put it on for him. I knew he was going to love it because he was a bit kinky! He couldn't believe his good fortune when he saw me in it and

we wasted no time in getting into his bedroom. I completely lost all of my inhibitions and the sex we had that night was wild and lasted for hours. Dressing up is good because it varies things a bit.

FIRST SEX TOY

FLO: I got my first sex toy—a Rampant Rabbit—when I was 18, my friends bought it for my birthday. The first time I used it I let my boyfriend use it on me and it was so good I couldn't stand up for about four or five minutes because my legs went wobbly! It definitely did the job in record time. I like sex toys because sometimes if you want a quick fix they come in useful, they're no replacement for the real thing though.

ANNA: My first sex toy was a vibrator that goes on the end of your finger, I got it when I was 18 too. I was browsing in a sex shop and the saleswoman told me she could highly recommend it so I bought one. That night I got my boyfriend to use it on me and had a great time. The buzzing sent me wild and the sex afterwards was

electric, it definitely helped spice things up for us.

FIRST ONE-NIGHT STAND

FLO: My first one-night stand was when I was on holiday in Ibiza last year. I'd been flirting with him all week as he was staying at the same hotel and we both clearly fancied each other. On the last night we got really drunk and when he invited me back to his room I couldn't say no. The sex was drunk and meaningless but we both had a hell of a good time and it went on for about an hour, I had no regrets the next day. Since then I've had one more.

ANNA: My first one-night stand was when I was 17 with a lad who lived near me. We'd been eyeing each other up for a while and when we met in a bar we clicked. After a couple of hours I was really in the mood for some nookie so I asked him back to my place. The sex was quite good, we were both really rampant and it was really rough which I loved. I didn't regret it either, I've had three more since then and I'm sure I'll have more in the future.

SUPERSTAR BABE'S PHONE SEX DIARIES!

IT'S the most amazing phone sex film we've EVER seen. There are **BLOW-JOBS**, there are **CLIMAX SHOTS**, there's **FULL SEX** and even a bit of **BACKDOOR BARGING**.

What makes this so special is the woman involved. She's not an unknown housewife from West Yorkshire or a penis-hungry young mum from Essex, she's an internationally-known celebrity and a regular on your TV. We'd love to give you her name but our lawyers have told us this is not possible, yet. But while they work to give us the "all clear", take a look at her in action. You can see her face in some of the shots and it should be clear to you who it is. It is clear from viewing the tapes and closely examining the pictures that they were made using a high quality mobile phone, sometime in the last year.

Chomping

And what's amazing is that this star, who is in a relationship, is seen enjoying **UNINHIBITED SEX** with 20 different fellas. Contacts in the United States say celebrity sites are rife with gossip about the identity of the star. It is believed her phone was stolen or misplaced while she was working and that she had used it as a sort of secret diary. Because of the sensitive nature of the content, it is believed her people are making discreet inquiries about getting it back and preventing the spread of the videos and pictures.

Begging

And we can see why. We see her: **POSING** in a tiny thong that leaves nothing to the imagination. **LYING** exhausted on the bed after a naked session. **CHOMPING** on what appears to be a meat lolly. **BEGGING** in her distinctive accent for her lover to: "Stick it up my c****!" **WAILING** in delight each time she gets one up her. **TELLING** a lucky conquest: "I don't care what your name is, I just want your cock in me." This 20-something is just the best thing we have seen. And we urge all *Sunday Sport* readers to see it before her lawyers ban it. Text **STARVID** to **89560** for the uncut video and **XSTAR** to **89560** for picture stills from the best of the action. This is some of the strongest content we have ever offered, so it's for over 18s only.

Nice camera! Can I have a look at it?

Erm... well... ok, but please be careful. It was very, very, expensive.

Oh, come on! I only want to look at it.

Seriously, what's the worst that can happen?

BOOBS ON THE BOX!

BRITAIN'S ONLY NAKED TELLY GUIDE

FORGET splashing out on porn, you always get a good amount of boobs and sex scenes on normal telly. We've done the research for you, all you have to do is tune in and get off!

SUNDAY

An American Werewolf in London, midnight, Sky2 — Excellent comedy horror flick from John Landis. Juicy Jenny Agutter reveals her right breast on 41 minutes then Linzi Drew shows off both her boobs on 86 and 87 mins.

MONDAY

Katie Price: The Jordan Years, 11.50pm, BBC3 — We should be treated to a glimpse of Katie's impressive norks here as it's about when she was Jordan.

TUESDAY

leaving Las Vegas, 12.25am, ITV4 — Brill movie starring Nicolas Cage, who won an Oscar for his role as an alcoholic who goes to Vegas to drink himself to death. Elisabeth Shue is awesome, too, and she shows her norks on 79 minutes.

WEDNESDAY

Sexcetera, 11pm, Virgin 1 — More sexy fun and frolics from this top documentary series that's brimming with blart!

THURSDAY

Martina Cole's The Take, 10pm, Sky2 — This brilliant new series about East End gangsters in the 1980s was first shown on Sky1 last night and as well as plenty of violence, there is sex and nudity, too!

FRIDAY

Intersection, 10pm, ITV3 — Glossy remake of French flick *Les Choses de la Vie* with Richard Gere and Sharon Stone, who shows off her tits on 18 minutes. Lolita Davidovich flashes her boobs on one, four and 75 minutes, too, and there are sex scenes. *Satans Slave, 2am, BBC2* — This horror flick from Norman J Warren is a right old bag of shite but it does contain plenty of nudity and loads of gore to keep you entertained if you're having trouble sleeping.

SATURDAY

Natural Born Killers, 11.15pm, Film4 — Juliette Lewis is one of my fave actresses and she gets her left tit out with co-star Woody Harrelson on 28 minutes. Yummy!

TOP FILM

Veronica Guerín

10.20pm-BBC1

AWESOME biological drama about journalist Veronica — played brilliantly by Cate Blanchett — who was gunned down after she wrote some articles exposing the drug lords who battled for control of Dublin in the mid-1990s.

Top director Joel Schumacher's powerful reconstruction of the events that led to the death of Veronica unleashes tensions to terrific effect and the way Cate plays the brave journo is just mind-blowing.

If you are planning to go out on the lash tonight then please set your Sky Plus box to record it or you'll regret it.

TOP NEW SERIES

Alan Carr: Chatty Man

1 pm-Sky Sports 1

THIS brand-new series looks like being a massive hit.

Obviously, it stars Alan Carr and it's a mix of chat, entertainment, sketches and showbiz news.

And for this first of 10 shows, Alan is joined by some top guests, including horny Heather Graham, Ross Kemp and Bruce Forsyth.

An added bonus is an appearance by top pop duo Pet Shop Boys, who will be performing their latest single *Did You See Me Coming?*

I can't stand many of today's so-called comics — like that prick Jimmy Carr, who's about as funny as piles — but I must admit that I always manage to laugh at Alan and I really hope this series lives up to all the hype.

WE'VE some bad news for all you girls who lust over hunky Syed Masoon (Mark Elliott) in *EastEnders* — because he's about to start a GAY affair with Christian!

And, as his character is a Muslim, the storyline is bound

SOAP BOX

to get lots of backs up. Also, the lovely Chelsea finds herself in conflict with her parents when they believe she is using drugs again and Stacey Slater returns . . . looking like

she's been dragged through a hedge backwards! Over in *Corrie*, Fiz is still tormented about kidnapper John's rejection. Don't know about you lot but we think she's had a lucky escape!

TODAY'S BEST ON THE BOX

TOP NATURE

South Pacific

WELL, it's the last episode of this truly awesome series that has had me glued to my television for the last five weeks.

This finale, called *Fragile Paradise*, looks at how the South Pacific is still relatively healthy and teeming with fish — but for how long?

The vast ocean appears to have little or no protection and just what is being done to preserve its waters and marine wildlife?

Millions of people rely on fish stocks, but the South Pacific is also home to the planet's richest coral reefs and most iconic wildlife. The future of the whales appears secure but international fishing fleets are taking a serious toll on sharks, albatross and tuna. Makes you think, doesn't it?

TOP DRAMA

Hope Springs

LAST week's opening episode got off to a great start and this one sees the four female former cons still hiding in the pretty Scottish village of Hope Springs.

But, following the devastating fire at the hotel, it looks like they will have to now change their escape plans.

The cast, including Alex Kingston, Annette Crosbie, Christine Bottomley and Sian Reeves, are all excellent but the storyline could have done with a little more work.

Even so, it is highly-watching television and, as there are six more episodes after this one, there's a chance it will get better and better.

WE'RE GHAN FOR IT!

BARRY HILLS has his 1000 Guineas heroine Ghanaati among 14 high-class entries for the Coronation Stakes at Royal Ascot.

The daughter of Giant's Causeway (*right*) ran out a hugely impressive winner of the Newmarket Classic last month and could renew rivalries with runner-up Cuis Ghaire, fourth home Heart Shaped and fifth Rainbow View.

Irish Guineas winner Again could represent David Wachman, while Jean-Claude Rouget's French Guineas winner Elusive Wave is set to cross the channel.

John Oxx has decided to supplement Balyana at a cost of £30,000 while Beat Seven, Chintz, Lahaleeb, Moonlife, Nashmiah,

Barry's Coronation bid

Reggane and Totally Devoted complete the possibles.

South Easter has been supplemented for the King Edward VII Stakes at Royal Ascot on Friday after missing the Derby.

The Dee Stakes victor, trained by William Haggas, was withdrawn from the Epsom Classic due to a bout of coughing.

However, he is now set to seek compensation after connections paid £20,000 to add him to the field at the confirmation stage.

The Galileo colt is among 19 possibles for the Group Two contest, commonly known as the 'Ascot Derby'.

Epsom Classic also rans

standing their ground are the John Gosden-trained Debussy (eighth), Aidan O'Brien's Black Bear Island (10th) and Mick Channon's Montaff (last).

O'Brien has left in a team of five from his Ballydoyle stable completed by Changingoftheguard, Drumbeat, Freemantle and Hail Caesar.

Haggas hopes he will be crowned king of the handicap trainers at Royal Ascot after Roaring Forte and High Standing run for him in the Hunt Cup and the Wokingham.

The former will be part of a dual attack on the Hunt Cup with Haggas also fielding Alfathaa.

We've got to attack the Indians

FLOWER CALLS FOR ENGLAND AGGRESSION

CRICKET

ANDY FLOWER says England need to play with a controlled aggression if they are to beat India today and remain in contention for the ICC World Twenty20 tournament.

England need victory at Lord's over the reigning holders if they are to avoid being dumped out of the competition following Thursday's seven-wicket defeat by South Africa at Trent Bridge, when they were dismissed for their lowest ever Twenty20 international score of 111.

That flop has persuaded coach Flower that England need to carry on playing aggressive cricket if they are to succeed in the rest of the tournament.

"India are a very good side and we respect them tremendously but we aren't fearful of them, said Flower.

"We'll play an attacking brand of Twenty20 cricket when we face them.

"We're definitely not going to win this tournament by playing conservative cricket and there's a blend of attack and good decision-making that you've got to find.

"It's not just crash, bang, wallop all the time. There is a lot of thought that goes into that crash, bang, wallop and there is a skill to playing the right shot at the right time."

England may make changes for their must-win encounter. Essex all-rounder Graham Napier, one of the few England players with Indian Premier League experience, could come into contention despite not featuring in either of England's warm-up matches or their three matches in the tournament.

Below Par Windies lashed

WAYNE PARNELL continued South Africa's surge towards the semis with a four-wicket haul in their 20-run victory over West Indies.

Parnell, 19, took wickets at both ends of Windies' chase at the Oval to finish with figures of 4-0-13-4.

It meant South Africa have one foot in the final four after two wins from two in Group E.

Set a challenging 184-run target, the West Indians were set back by

the loss of openers Chris Gayle and Andre Fletcher, the slayers of Australia, in the opening four overs.

Parnell's killer, initial two-over burst of two for three was followed by the removal of Kieron Pollard and Jerome Taylor at the death.

By that time the result wasn't in question, only the margin of victory for tournament favourites South Africa.

THE LIONS IN

GRIPPING STUFF: Tommy Bowe shows good strength to score a try for the Lions

KHAN'S KOT TRAGEDY

BOXING

AMIR KHAN'S world title hopes were thrown into chaos last night with WBA light-welterweight champion Andreas Kotelnik looking certain to pull out of their fight.

The Olympic silver medallist (left) is due to challenge the Ukrainian at London's O2 Arena

on June 27, but Kotelnik is suffering from a mouth infection.

Kotelnik, 31, cannot spar until early next month and has asked for a postponement until later this summer.

Promoter Frank Warren is seeking a replacement to make sure Britain's hottest prospect gets action.

Among the fighters on

his short-list is America's interim WBO champion Lamont Peterson.

WBO president Paco Valcarcel claims Warren asked if his organisation would sanction a Peterson-Khan fight.

Valcarcel says he would approve it and Khan's trainer Freddie Roach also fancies the Peterson scrap.

SOUTH AFRICA 2009

WE'RE OFF THE HOOK!

Supersub James Hook puts boot in to snatch win No 5

BY JAKE KING

SUBSTITUTE James Hook rifled over a 50-metre penalty four minutes from time to preserve the Lions' winning run in South Africa.

The Lions looked in control at 18-9 ahead after tries from man-of-the-match Tommy Bowe and his fellow wing Ugo Monye.

But Western Province kept plugging away as full-back Joe Pieterse's try set up a tense finish.

Pieterse had earlier dropped a goal – as did fly-half Willem de Waal, who also kicked four penalties – but the Lions did just enough to make it five wins from five a week before the first Test against the world champions.

Sparkling

Flanker Martyn Williams added a try, while two Stephen Jones penalties and a conversion also contributed to the victory.

The Lions had expected Western Province to be their toughest opponents so far – and they were right.

The highlights were another sparkling display by the irrepressible Bowe, while Monye surely did enough to keep world player of the year Shane Williams out of the first Test line-up.

Martyn Williams and No 8 Andy Powell also had their moments, but an ineffective

WESTERN PROVINCE 23 THE LIONS 26

display by prop Andrew Sheridan has probably seen him lose ground.

The Lions had to contend with the worst weather conditions of their 10-match trip, with a blustery wind and heavy showers blowing in from Table Mountain.

And they were also watched by their biggest crowd on tour – just over 34,000.

Head coach Ian McGeechan said: "I thought some of the execution today was excellent.

"We probably tried to force it a bit against a team that was playing a total kicking game but maybe we just have to have a bit more patience about how we play when a team is doing that.

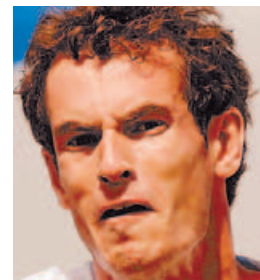

"Each time we've been under pressure we've responded very positively and with great play, which shows how much the players are working for it.

"A number of players are playing well and, each time we put a team on the field, the players are responding. As a coach you can't ask for any more than that.

"You keep starting with new combinations but the players have really bought into what we are doing and it doesn't matter who is alongside who, they're playing really hard for one another."

NUCKLE RAP: Murray

Murray puts up a bloody good show

TENNIS

ANDY MURRAY reached the final of AEGON Championships for the first time in his career after a one-sided win over Spain's Juan Carlos Ferrero at Queen's.

It took Murray, bidding to become the first British winner of the tournament since Bunny Austin in 1938, just 71 minutes to see off world No 90 Ferrero 6-2 6-4.

The 22-year-old Scot became the first British finalist in the tournament since Tim Henman seven years ago and faces James Blake in the final today.

"I'm very happy with the way I played," said Murray.

"All round it's been a good week so far and hopefully I can continue it."

Murray is yet to drop a set in the tournament but he still manages to rap his knuckles hard on his racket when he makes the odd mistake on court.

The TV cameras spotted blood on his shorts but Murray declared: "It looks a lot worse than it actually is – it doesn't hurt at all. I'll be fine."

Russian beauty Maria Sharapova crashed out of the AEGON Classic at Edgbaston at the semi-final stage.

The former Wimbledon champion, who has plunged down the world rankings after an injury lay-off, was beaten 6-4 6-4 by fourth seed Na Li from China.

Sharapova had her serve broken six times during a match which lasted 89 minutes.

FLOYD BID TO MAKE GALE A FORCE

BOXING

JAMES DEGALE plans to train alongside ring great Floyd Mayweather Jnr in his bid to beat the boo boys.

The Olympic gold medallist, 23, who has struggled to win over boxing fans since turning professional in February, is preparing to face Belfast's Ciaran Healy at

London's O2 Arena on June 27.

A chance meeting with Floyd's uncle and trainer, Roger Mayweather, led to DeGale (left) being invited to the Las Vegas boxer's training base.

DeGale, unbeaten in two fights, said: "I spoke to Floyd's uncle, Roger, because my coach Jim McDonnell was going to box him back in the

80s or 90s and we had a bit of time.

"He wants me to go over there and spar with him, so hopefully in the next couple of months I'll be going over to Las Vegas and doing a bit of training.

"It is important to go over there in terms of my development. You have got to have good sparring."

Mayweather Jnr (right)

hasn't boxed since knocking out Ricky Hatton in December 2007.

But the brash Yank makes his comeback against Mexican Juan Manuel Marquez in Las Vegas on July 18.

Super-middleweight DeGale added: "Floyd is a showman and has got all the skills in the world. He is fantastic."

Why I feel so sorry for Ron

I can't help feeling a bit sorry for Ronaldo. At one point he seemed to have the world at his feet – a trophy full of cups and medals, a big f**k off mansion in the sun, a garage full of fast cars and every supermodel in the world queuing up to sit on his face.

And then, in spectacular fashion, it all went completely tits up. A dodgy knee made out of glass, a rapidly expanding waistline, a hand that just happened to stray down the knickers of some hairy-arsed tranny in a nightclub and all of a sudden his name is mud.

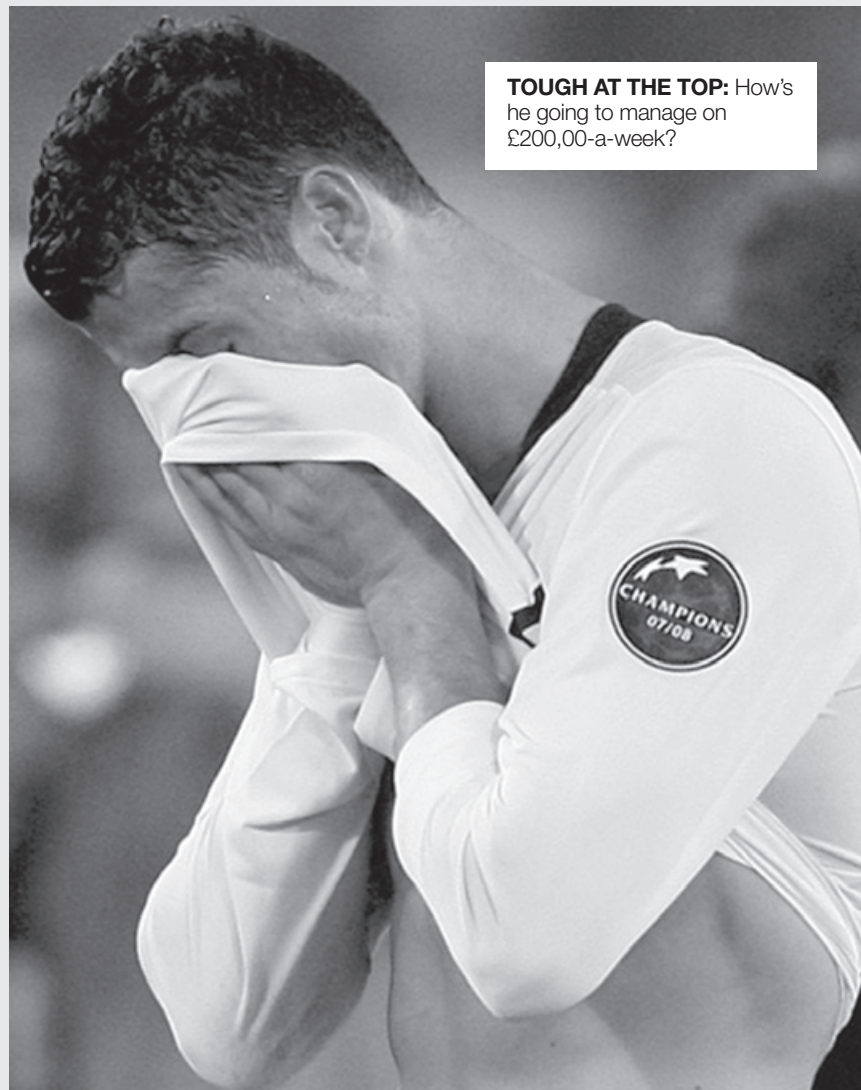

It doesn't seem that long ago that his services were sought by every single club in the world. Now he struggles to get membership of his local snooker club.

Yes, he's had a hard time has Ronaldo. Then, to add insult to injury, along comes some gangly little show-boating tw*t from Portugal with a crap boy band hairdo and face like a dartboard, who goes arse-over-tit if an opposing player so much as breathes on him – and all of a sudden no one wants to know the original Ronnie.

Imagine how the chubby buck toothed Brazilian must have felt when he heard about his younger namesake's 80 million quid move to Real Madrid. Chances are he felt just a teeny bit envious. Older footballers are always moaning that the current crop of larkers command much bigger fees than they were able to, and even though Ronaldo Number One won't be short of a few bob, let's face it, they're all greedy tw*ts who want as much as the next bloke's getting. More, if possible.

So I bet he nearly choked on his cream bun when he saw the figures Real Madrid were bandying about in their pursuit of the Man Utd winger.

But if he had his wits about him, Ronaldo Number One could turn this situation to his advantage. If it was me I know what I

TOUGH AT THE TOP: How's he going to manage on £200,00-a-week?

would do. If my name was Billy Ronaldo I'd dip a comedy Elvis wig in a load of chip fat, put a poncy pink shirt on, get straight down to the biggest nightclub in Brazil and make a bee line for the dopest blonde bird with the biggest tits and most vacant expression.

"Hello love," I'd say. "Do you know owt about football?" If the answer was "No," I'd go, "Oh well, this is your lucky night love cos my name's Ronaldo and I've just signed for Real Madrid for 80 million quid. You must have read about it in the papers. Here's me driving licence with me name on it. Me cheque hasn't cleared yet, so get yourself to the bar and get a bottle of Cristal in pet, and then I'll explain the offside rule to you in this private

booth. This time next week you'll be shitting diamond rings on the front page of Bella."

To be honest, I'm glad Cristiano Ronaldo is f**king off from the Premier League. Obviously he's brilliant to watch when he's tearing defences to shreds, but all that rolling about and sulking was starting to get a bit tedious.

And I really could not have taken another summer of 'Is He Going Or Isn't He' all over the papers.

I used to go out with a bird who was a bit like Ronaldo. I don't mean she had greasy hair and went down easily. I mean in the way she acted all sulky and hard to get if she thought no one was paying attention to her. She'd wail: "I'm not appreciated here, I'm going

to leave." The thing is, she was a brilliant shag, so I did everything I could to keep her sweet.

But there came a point when I'd just got sick of her whining gob. So I told her to sling her hook.

Unfortunately she didn't go to Spain and I didn't get 80 million quid. She went off with a carpet-fitter from Goole and left me with a year's outstanding credit payments on a second hand Vauxhall Astra.

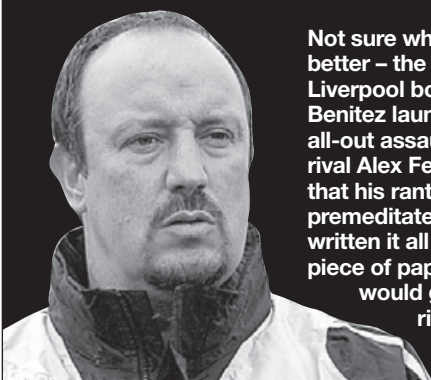

But such is life. And if it all goes wrong for young Cristiano and his star starts to fade, then he and his elder namesake could always re-launch themselves as a hilarious comedy duo on Spanish TV.

The Two Ronaldo's...and it's Buenos Noches from me – and its Adios from him!

TOP OF THE STROPS!

What's that we hear? It's the sound of toys being thrown from prams and dummies being spat out by the angriest men of the season!

RAFA BENITEZ

Not sure which was better – the fact Liverpool boss Rafa Benitez launched an all-out assault on title rival Alex Ferguson or that his rant was so premeditated he had written it all down on a piece of paper so he would get it just right!

PHIL BROWN

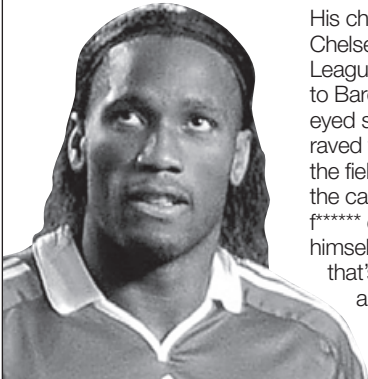

Hull boss Phil Brown's now infamous decision to keep his flops on the pitch at half-time during his side's crushing defeat to Manchester City and bollock them in front of 45,000 stunned fans. Finger-wagging and all.

JOE KINNEAR

You've got to hand it to Joe. A man who calls a spade a spade and a journalist a c***. After being appointed interim manager at Newcastle, Kinnear took great exception to one story which had appeared in a tabloid newspaper and lambasted the press with a stinging attack which went on for more than 30 minutes.

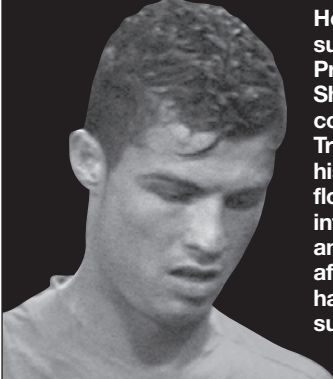

DIDIER DROGBA

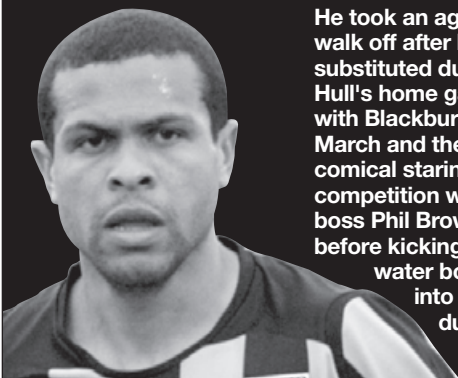

His child-like reaction to Chelsea's Champions League semi-final defeat to Barcelona. The wild-eyed striker ranted and raved topless as he left the field, swearing into the camera 'this is a f***** disgrace' to earn himself a UEFA hearing that's bound to end in a ban and sound telling-off.

CRISTIANO RONALDO

How we'll miss his sulky face in the Premier League! Showed his true colours at Old Trafford by throwing his tracksuit on the floor and storming into dug-out to sulk and moan to himself after Alex Ferguson had the temerity to substitute him.

GEOVANNI

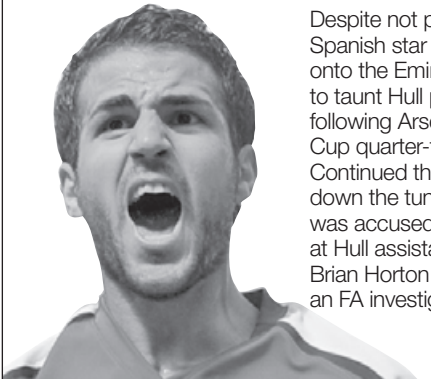

He took an age to walk off after being substituted during Hull's home game with Blackburn in March and then had a comical staring competition with boss Phil Brown before kicking a water bottle into the dug-out.

MICHAEL BALLACK

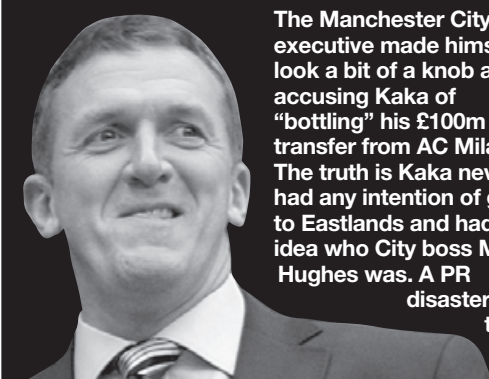

His one-man hounding of referee Tom Henning Ovrebo during Chelsea's Champions League semi-final defeat to Barcelona was astounding. The German star chased him half the length of the pitch after being denied a penalty decision and looked set to thump him.

CESC FABREGAS

Despite not playing, the Spanish star charged onto the Emirates pitch to taunt Hull players following Arsenal's FA Cup quarter-final win. Continued the row down the tunnel and was accused of spitting at Hull assistant boss Brian Horton to prompt an FA investigation.

GARRY COOK

The Manchester City chief executive made himself look a bit of a knob after accusing Kaka of "bottling" his £100m transfer from AC Milan. The truth is Kaka never had any intention of going to Eastlands and had no idea who City boss Mark Hughes was. A PR disaster for the club.

HARRY REDKNAPP

The Tottenham boss lost it after watching England hitman Darren Bent miss an absolute sitter at home to Portsmouth. "Even my missus Sandra could have scored that one," raged Redknapp in his post-match interview. He later said sorry to the striker.

Watford to unveil Mackay

MALKY Mackay will be unveiled as Watford boss tomorrow after blowing away rivals Alan Pardew, Nigel Gibbs and Andy Scott with his interview.

Senior Hornets officials last night confirmed Mackay, a coach at the club since January 2007, will replace ex-boss Brendan Rodgers, who joined Reading ten days ago.

Scot Mackay, 37, will land his first managerial job after dazzling Vicarage Road chairman Jimmy Russo during his interview in midweek with ambitions plans for the future of the Championship side.

Madj is Al right now

MADJID Bougherra has dealt Rangers an astonishing snub – by claiming their Double triumph would have been MEANINGLESS if his Algeria side lost to Egypt.

The centre-back, voted Gers' player of the season, was part of the Algeria side who got a crucial 3-1 win over their African rivals.

He said: "Can you imagine if we had lost? The two trophies I won with Rangers would not have meant anything."

Help me, says Don

MASSIMO Donati has urged clubs in Italy to rescue him from his Celtic hell – and hopes to quit Parkhead by the end of the month.

The midfielder – a £1.2m buy from AC Milan two years ago – made just four first-team starts last season. Donati, 28, who fell out with former Hoops boss Gordon Strachan, said: "I would love to return to Italy. I still have so much to offer."

Jac slot

EVERTON defender Lars Jacobsen is on the brink of joining Premier League new boys Burnley.

The Dane, 29, made just five appearances during his season at Everton and will not be offered a new deal. Clarets boss Owen Coyle has spoken with the right back who looks set to sign on a free.

CONTROL: Ferguson

FERGIE TOLD £80M HIS TO SPEND

MANCHESTER UNITED'S transfer policy will not be affected by their debt mountain.

With a £650million debt to service, there were some fears that the Glazer family might use part of the £80million Real Madrid have pledged to pay for Cristiano Ronaldo against the interest at least.

However, manager Alex Ferguson has been assured that will not be the case, allowing the Scot to pursue Antonio Valencia and Franck Ribery without worrying too much about the cost.

"Nothing that has happened over the past four years would lead you to believe the owners are not going to continue investing in the team," said a Glazer family spokesman.

"A substantial number of world-class players have been brought to the club in the past few years and that will still be the case."

The Glazer family point to their record of backing Ferguson in the transfer market since their controversial takeover.

They insist that policy has not changed despite the credit crunch, which is having an impact on United's corporate ticket sales.

"The idea Manchester United are motivated by a debt burden is just not true," added the spokesman. "It is not an issue."

"Sir Alex Ferguson is in total control of his squad."

Man U told to Vuc off

ROMA striker Mirko Vucinic insists he wants to remain at the Stadio Olimpico despite interest from Manchester United.

Vucinic is one of the players United manager Sir Alex Ferguson is considering as a replacement for Real Madrid bound Cristiano Ronaldo.

But Vucinic, who recently signed a new four-year deal, said: "I'd like to stay at Roma."

YOU'RE GOING HOME IN A F**KING AMBULANCE

DISHING

THE SEASON'S BAD LADS!

FOOTBALL'S always had players who weren't afraid to dish it out.

The only difference between the 'good old days' and now is that referees are

not as happy to sanction assassination attempts and common assaults as they used to be.

At one time it was considered perfectly

acceptable to give the keeper a hefty shoulder in the ribs while his two arms were up in the air collecting the ball and heave him into the net. Nowadays that

ALMUNIA

Arsenal keeper Manuel Almunia was accused of head-butting angelic Blackburn forward El-Hadj Diouf and Rovers chief Sam Allardyce said angrily: "Almunia nuttled him – but you never write about that, do you?"

CAHILL

Tim Cahill's goal celebration involves him shadow-boxing the corner flag, which is a decent clue to his character. The Everton star totted up more than 75 fouls last season.

SHAWCROSS

Arsene Wenger said Ryan Shawcross and his Stoke team-mates were cowards when Emmanuel Adebayor was crocked after a challenge from Shawcross in a league game at the Britannia.

VIDIC

Nemanja Vidic may have been one of the players of the season but like all good defenders he was more than happy to use foul means when it came to protecting the United goal. Just ask Fernando Torres!

GUTHRIE

Danny Guthrie left his mark on Hull's Craig Fagan – literally – with a kick that broke the striker's leg. Fagan was on crutches for months with Newcastle's Guthrie facing the threat of legal action. Must have taken his lead from Joey Barton!

BARTON

Despite being sent to prison and being off-loaded by Man City, the Newcastle midfielder fouled his way through another season and ended with a lunge at Xabi Alonso which earned him another red card.

FELLAINI

Marouane Fellaini likes putting himself about but the Everton midfielder strong man was one of only two players to pass the 100 fouls mark last season.

PALACIOS

Wilson Palacios has added bite to Spurs' midfield as shown by his 70 fouls last season, including his time at Wigan. Seems to have picked up some tips from former manager Steve Bruce.

SCHOLES

Despite picking up more silverware at Old Trafford, Paul Scholes also collected his fair share of bookings. Still one of the worst tacklers in the game and this season was no different.

DAVIES

Kevin Davies made sure he committed enough fouls to keep his place at the top of the table when it comes to the player who has committed the most offences. Davies is in a league of his own.

ZAMORA

When you have as bad a first touch as Bobby Zamora, you're going to spend a lot of time getting stuck in to win the ball back. The result: 75 fouls this season by the Fulham forward.

...OR YOU WILL BE IF COME ACROSS THIS LOT!

THE DIRT

would be a foul, a red card and a lengthy suspension – back then it was simply a goal and nobody uttered a word of protest.

Here at *Sunday Sport* we

decided to take a look at the current crop of bad lads and measure their prowess in the dark arts against the masters of seasons gone by.

If you take a look at the

panel at the bottom of the page you'll see which side came out top in the head-to-head of football's meanest markers. You probably won't be surprised at the outcome.

SCHUMACHER

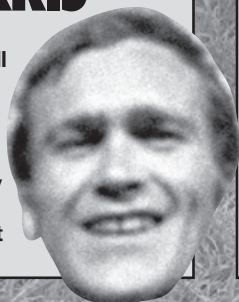

Harald Schumacher nearly killed France's Patrick Battiston, in the semi-final of the 1982 World Cup. They ran into each other and while Battiston tried to play football, Schumacher did an impression of a juggernaut hitting a wall.

THE ALL TIME BAD LADS!

HARRIS

Ron 'Chopper' Harris was and still is legendary for his 'Chelsea' approach to stopping strikers. Kicked Eddie Gray out of the 1970 FA Cup Final replay at Old Trafford.

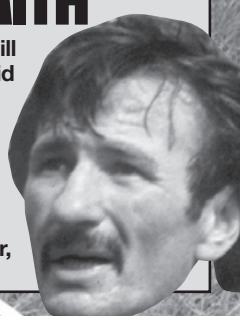

JONES

Vinnie Jones went from working on a building site to terrorising Premier League opponents with Wimbledon. What he lacked in skill he more than made up for with crunching tackles.

SMITH

Liverpool boss Bill Shankly once said of Tommy Smith: "He wasn't born, he was quarried." Smith was so dirty he even gained the respect of Hunter, Harris etc.

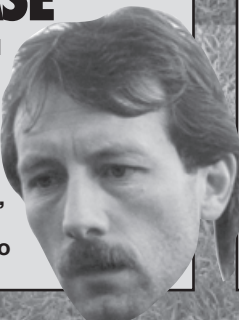

HUNTER

Despite a glittering career for Leeds and England, Norman Hunter is still regarded as one of the hardest players of all time, earning the nickname 'Bite yer Legs'.

CASE

Jimmy Case could reduce opponents to tears with one thumping challenge. One of the hardest players of his time, the Liverpool midfielder was also one of the dirtiest.

GILES

Jonny Giles was the midfield enforcer in Don Revie's successful and filthy Leeds team of the 1970s. Legend has it his main role was to protect team-mates.

WISE

Dennis Wise was the player Alex Ferguson once said could 'start a fight in an empty room'. During the 98/99 season missed a staggering 15 games through suspension.

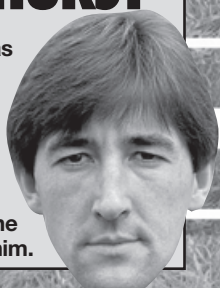

STILES

Nobby Stiles claimed to have a problem with his vision when it came to tackling but never failed to miss when it came to 'doing' an opponent. Acted as Bobby Charlton's bodyguard.

WHITEHURST

Billy Whitehurst was never afraid of a battle and boxed bare knuckle to supplement his football pay. His approach left Alan Hansen admitting he was frightened of him.

SMITH

Angelic off the pitch, Alan Smith becomes a lunatic on it. Despite being just 28, Smith has been sent off seven times in the Premier League. Only Kevin Davies has committed more fouls.

WHO ARE YOU LOOKING AT?

WE were going to give each player a score out of 10, tot up the totals and decide which team was the worst. But we thought about it and decided not to bother on the basis that any team with Harris, Smith, Hunter, Case and co would have fancied their chances in a scrap with the SAS! These days they just don't make 'em like they used to.

PRAISE: Beckham

BECKS: ENGLAND IS A FAB SUCCESS STORY

DAVID BECKHAM hailed the impact made on the England squad by Fabio Capello and said progress has been made in every game under the Italian.

England are on the verge of qualifying for the 2010 World Cup finals after a 6-0 drubbing of Andorra in midweek maintained their 100 per cent record in their group.

Victory over Croatia at Wembley in early September will almost certainly mean Capello can start planning early for South Africa next summer.

Beckham said: "We have ended the season on a high. That is what we wanted to do.

"You can't get any better than seven wins out of seven. Now we all go away for a few weeks' break and we can enjoy it.

"When we didn't qualify for the European Championships, that was a really disappointing time for us.

"Now we are happy, although we still haven't qualified for the World Cup.

"We will be happy once we do that and then we can go on from there.

"We have shown in every game that there has been progress and against Andorra it was the same.

"What is at the heart of England's progress? The manager and the management staff, the way they have brought the professionalism into the team and the hard work.

"He has got great respect for this game and we work hard for him."

Blues target double deal

BIRMINGHAM CITY aim to continue their signing spree with swoops for Standard Liege central defender Oguchi Onyewu and Ecuador international centre-half Giovanni Espinoza.

American international Onyewu, 27, who is a free agent, is mulling over a three-year contract offer.

Espinoza, 32, should complete a £200,000 move from Ecuador club side Barcelona.

STAY WITH OUR KIDS, PSYCHO!

FA give Stu two more years

ENGLAND Under-21 coach Stuart Pearce has agreed personal terms with the FA to remain in his job for another two years.

Psycho has guided his youngsters to the European Championships, which start in Sweden tomorrow, and has also received glowing praise from Fabio Capello after assisting the Italian with the senior team.

Capello wants Pearce with him at next year's World Cup but his new deal will run beyond that so the former Manchester City manager can take charge of the next Under-21 campaign.

"I've agreed my contract with the FA in principle," said Pearce.

"It's a case of signing it. It might be signed this week.

"Do I enjoy my job? Yes I do. I think it is a fantastic job.

"Would I like to stay for another two years? Yes I would.

"In principle we have agreed finances. As far as I'm concerned it's done.

"I've never been one to tout my name around and chase jobs here, there and everywhere. If I'm happy in my work place, I stay there. I did that as a player and will do the same as a manager."

Pearce arrived at the

RIGHT MAN: Pearce has had glowing praise from Capello

Under-21s' training camp in Varberg on the west coast of Sweden before tomorrow's opener against Finland in Halmstad.

Captain Steven Taylor, Tom Huddlestone and Aaron Lennon are among the high-profile players who miss the tournament through injury.

But there has been no repeat of two years ago when David Bentley withdrew citing fatigue and Gabriel Agbonlahor could not be contacted to confirm his call-up.

Agbonlahor is in the current squad, which was

bolstered by James Milner and Theo Walcott (both pictured below) after they completed duty with the senior team.

Nedum Onuoha, who is tipped to be named stand-in captain, and Micah Richards trained separately as injury precautions.

Pearce said: "The training ground has been a good place to be, they haven't bought into the normal nonsense at the end of the season about players being tired and they've played too many games.

"The buy-in from the players has been outstanding. David Wheeler and Michael Lightly have had operations. You could go through the pack.

"Danny Welbeck was desperate to be here. "The captain, it goes without saying, wanted to be a part of it.

"If we are fortunate enough to go to the final there is no doubt I'll look back and one or two people that aren't here will deserve to have a hand on that trophy.

"I think it would be massive for English football."

YOU CAN FER-GET BENZEMA

MANCHESTER UNITED were last night told to forget about raiding Lyon for Karim Benzema.

The France international striker (left) has been a target for United boss Sir Alex Ferguson for several seasons.

Fergie is considering a bid for the 21-year-old as he seeks a replacement for Cristiano Ronaldo, who

is joining Real Madrid in a world record £80million deal.

But Lyon, who have just failed to win the French title for the first time in seven years, insist they plan to hold on to £35m-rated Benzema for another year.

"Our idea is to keep Karim for another season," said Bernard Lacombe,

Lyon's transfers advisor. "Although you can never say never in football, there is a lot of talk about nothing at the moment."

Benzema's agent, Karim Djaziri, added: "From our perspective a departure for Karim is not on the agenda.

"Lyon are not in need of the money they'd get for him."

BIG SPENDERS BATTLE IT OUT FOR £18M GLEN

GLEN JOHNSON is an £18million target for Chelsea, Liverpool and Manchester City.

Johnson has just delivered his best season in the Premier League and also established himself as England's first-choice right-back.

The 24-year-old's dynamic displays have attracted the interest of bigger clubs who are willing to splash out big money for him.

Pompey chief executive Peter Storie confirmed there was interest in the former Chelsea defender and that he may be

allowed to leave Fratton Park if the price is right.

"It is very hard to hold someone back in Glen's situation. I accept that," said Storie.

Asked if the player could leave for a fee of up to £18m, Storie added: "You could be right. On the numbers we will keep that private."

"But you may not be a million miles away. He is attracting the big clubs."

"We need to be fair to Glen, see what Glen wants to do and see what is right for

him and for Portsmouth. Something may happen in the not-too-distant future."

Storie added that while Portsmouth were happy to allow Johnson to move to a bigger club, they would only do so should they receive a tempting offer.

"Glen has obviously had a fantastic season for us and has established himself as one of the best right-backs in the league, if not the country, at the moment," said Storie.

"I've known Glen for a long time, since his West Ham days, so when I re-signed

him we talked it over and he asked if one of the big four clubs, who were in the Champions League, came in for him would we stand in his way of a move.

"I said that I couldn't do that provided the deal is good for Portsmouth and for Glen."

If Johnson ends up at Liverpool he could be playing in the same team as one of the best midfielders Argentina has ever seen.

That was the glowing praise heaped on Javier Mascherano by former Argentina international Jorge Solari.

Solari, who founded the Renato Cesarini football club and academy where Mascherano started out, spoke out amid speculation that European champions Barcelona are looking at the 25-year-old as a possible summer signing.

Solari even rates Mascherano as a better all-round midfielder than ex-Real Madrid and AC Milan star Fernando Redondo, who Solari coached while they were both at Tenerife in the early 1990s.

"For me, Mascherano is the best central midfielder that has left Argentina in the last 30-40 years," said Solari.

"Even better than Redondo. Javier covers a lot of ground, defends very well, especially one-on-ones, he attacks, he has good technique, he is intelligent and adapts to whatever the coach wants from him."

THAKSIN LINK THREATENS POMPEY DEAL

PREMIER LEAGUE chairman Sir Dave Richards insists the takeover of Portsmouth will NOT be allowed to go through if former Manchester City owner Thaksin Shinawatra is involved.

Property billionaire Dr Sulaiman Al Fahim is close to taking over at Fratton Park with due diligence set to be completed next month.

Portsmouth have denied newspaper claims that former Thai prime minister Thaksin has had a role to play in the deal.

Richards said: "At this stage the Premier League don't know if he is involved."

"The Premier League have met the advisors to Dr Sulaiman this week and we have made it very clear

that we want to know who are the shareholders in the possible takeover of Portsmouth.

"Before it can be taken over the people who are involved have to meet the fit and proper persons test."

"There has been a suggestion that possibly Dr Thaksin is involved. If that is the case that takeover will

not be allowed to go through."

Thaksin, who was ousted as Thailand's prime minister in 2006, had his British visa revoked last November after being convicted of corruption in his homeland.

He was sentenced to two years in jail and the Thai authorities have since been attempting to extradite him,

recently tracking him down to Germany where he has been forced to give up his residence permit.

A Portsmouth statement said: "Portsmouth FC would like to confirm that neither Dr Thaksin Shinawatra nor his advisor Pairoj Piem-pongsat are involved in funding Dr Sulaiman al Fahim's bid to buy the club."

PRICE CUT: Ashley

TOON IN BATTLE TO KEEP RICH FANS

NEWCASTLE UNITED are locked in a desperate battle to hang on to their wealthiest fans.

Owner Mike Ashley has slashed the price of executive boxes by up to 66 per cent.

And some supporters may even be offered free seats next season following United's slide into the Championship.

The shock measures highlight fears within St James' Park that company bosses are considering a switch to Sunderland's Stadium of Light because guests demand to watch Premier League football.

Ashley and United chairman Derek Llambias acted last week in a bid to ensure that their expensive seats will be filled next season.

Drink

They compiled a rich list of fans who were invited to St James' Park and told that their boxes will be available for just £16,000 next season.

They had previously paid up to £48,000, which entitled them to bring 10 guests and included the cost of food and drinks.

A North East businessman said: "I'm still deciding whether to take the box again next season."

"I would have walked away if the price had stayed the same, but I'm tempted by the new deal."

"We all knew they would have to cut the price, but some were surprised it was so low. It shows how keen they are to keep us happy."

No hard feelings, Baggies tell Mowbray

WEST BROM chairman Jeremy Peace has insisted he won't hold any grudges against Tony Mowbray as he prepares to quit the club to take charge at Celtic.

Peace wanted Mowbray to stay and lead Albion's bid to make an instant return to the Premier League next season.

But once Mowbray said he wanted to talk to his old club and Celtic matched Albion's £2million compensation

demands, then Peace had no option but to let Mowbray begin contract negotiations at Parkhead.

Peace said: "We don't want to lose Tony as he is an integral part of the long-term project that we have at the club."

"But Tony expressed his desire to talk to Celtic and, now that the compensation figure in his contract has been met to our satisfaction, that process can

take place. If Tony decides to join Celtic he would leave with our good wishes and we would then immediately put into action the task of appointing a new manager who can take the club forward."

Albion are set to make a move for St Johnstone boss Derek McInnes to replace Mowbray.

Former Albion captain McInnes, who has already been targeted by Watford this month,

remains a huge favourite at The Hawthorns following a three-year spell at the club between 2000 and 2003.

His reputation is growing as he has just guided St Johnstone to promotion to the Scottish Premier League.

Preston boss Alan Irvine is also attracting interest from the Baggies.

But McInnes has been backed to succeed Mowbray by his

former Albion team-mate Richard Sneekes.

Sneekes said: "Derek is a born leader and he played in a position where he always used to influence games with his talent."

"In the last couple of weeks I have spoken to Derek a few times and he seems to be enjoying himself in management."

"Would he be a good choice for Albion? I think so."

Chelsea Serg to front of queue for £40m ace

BY MARK BURTON

CHELSEA last night surged to the front of the queue in the hunt to sign £40million striker Sergio Aguero.

With Valencia's David Villa in the middle of negotiating a £45m move to Real Madrid, the way's clear for the 21-year-old Argentine international to seal a move to west London.

Although Manchester City would love to make the Atletico Madrid star their biggest signing of the summer, the lure of Champions League football has tipped the balance in favour of Roman Abramovich's billions.

Atletico president Enrique Cerezo has admitted that they could sell their prize asset if they

received an offer too good to refuse. He said: "We will open talks if an interesting offer is made. Many people have spoken about Aguero but the truth is Atletico have not been contacted by any suitor."

Chelsea's summer spree is also expected to include Middlesbrough keeper Ross Turnbull, 24.

They are desperate for quality back-up in the keeping department after selling Carlo Cudicini to Spurs in January.

And new boss Carlo Ancelotti is also keen to win a three-way race with Liverpool and Man City for England and Portsmouth right-back, Glen Johnson.
